NOTES:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its circular dated 5 May 2020 read with circulars dated 8 April 2020 and 13 April 2020 (collectively referred to as 'MCA Circulars') and SEBI circular dated 12 May 2020 permitted holding of the annual general meeting ('AGM') through VC/OAVM facility, without the physical presence of the members at a common venue. In compliance with the provisions of the Companies Act, 2013 (the 'Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations') and MCA Circulars, the AGM of the Company is **being conducted through VC/OAVM** hereinafter called as 'AGM'.
2. The deemed venue for 29th AGM shall be the Registered Office of the Company situated at D-7/3, Okhla Industrial Area, Phase-2, New-Delhi-110020.
3. The Company has appointed **M/s Skyline Financial Services Pvt. Ltd.** as "Facilitator of VC/OAVM" to facilitate the conduct of AGM through VC/OAVM.
4. Institutional/Corporate shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (pdf/jpg format) of its board or governing body's resolution/authorization, etc., authorising their representative to attend the AGM on its behalf and to vote through remote e-voting. The said resolution/authorisation shall be sent to the scrutinizer by email through its registered email address to cstanayojha@gmail.com with a copy marked to Company info@dfsionline.com & helpdesk.evoting@cdslindia.com.
5. Statement pursuant to section 102 of the Act shall form a part of this Notice since special business shall be transacted at the 29th AGM.
6. Brief details of the director, who are eligible to be re-appointed in 29th AGM, are annexed hereto as per requirements of regulation 36(3) of the SEBI Listing Regulations and as per provisions of the Act.
7. The facility of joining the AGM through VC/OAVM will be opened 15 minutes before and will be open upto 15 minutes after the scheduled start time of the e-AGM, i.e., from 12:15 P.M. to 12.45 P.M. and will be available for 1,000 members on a first come first-served basis. This rule would however not apply to participation of shareholders holding 2% or more shareholding, promoters, institutional investors, directors, key and senior managerial personnel, auditors, etc.
8. Institutional investors, who are members of the Company are encouraged to attend and vote at the 29th AGM of the Company.
9. SEBI has mandated the submission of Permanent Account Number (PAN) by every person dealing in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company or its RTA.
10. In terms of sections 101 and 136 of the Act, read with the rules made thereunder, the listed companies may send the notice of AGM and the annual report, including financial statements, boards' report, etc. by electronic mode. Pursuant to the said provisions of the Act read with MCA Circulars, SEBI Circular dated 12 May 2020, Notice of 29th AGM along with the Annual Report for FY 2020 is being sent only through electronic mode to those members whose email addresses are registered with the Company/depositories. STATUTORY AUDITOR & SECRETARIAL AUDITOR WITH THEIR QUALIFICATION, RESERVATION OR ADVERSE REMARKS ALONG WITH THE EXPLANATION OR COMMENTS BY THE DIRECTORS**A. STATUTORY AUDITOR**

The members at the Annual General Meeting held on 30th November 2017, appointed **M/s. Mukesh Aggarwal & Co., Chartered Accountants (Firm Registration No. 000393N)** as Statutory Auditors of the Company for a period of Five years to hold office till the conclusion of 31st Annual General Meeting of the Company subject to ratification at every AGM. But, the requirement to place the matter relating to appointment of Auditors for ratification by members at every Annual General Meeting is done away by Companies Amendment Act, 2017 vide notification dated May 7, 2018 issued by Ministry of Corporate Affairs, New Delhi. Thus, M/s. Mukesh Aggarwal & Co., Chartered Accountants shall continue to act as Statutory Auditor.

Qualification(s) and Directors' comments on the report of Statutory Auditor:

- 1 *Justice Anil Kumar as one man committee was appointed vide order dated:- 3rd September, 2015 by the Hon'ble High Court of Delhi to scrutinize the list of depositors and other claimants and to take steps enumerated hereinafter with the view to resolve at-least some of the disputes. The one man committee submitted its report on to Hon'ble High Court of Delhi on 22nd April, 2016. Taking cognizance of the report, Hon'ble High Court of Delhi on 10th August, 2017 accepted the recommendation of one man committee enumerated in the report. Under Scheme of One Man Committee, Interest of Rs 235 Lacs are payable to Debenture Holders and Rs 1,448 Lacs are payable to Fixed Depositors under Phase-2 of Schedule of Payments laid down by One Man Committee. Presently the said committee has waived any further payment of Interest to Fixed Depositors, Debenture-holders and other lenders, however on complete liquidation of properties and investments, if any surplus remains after payment to all stakeholder creditors, then further payment of Interest would be decided. All stakeholders creditors which are covered under scheme has given its consent to the scheme. No provision of Rs. 1,683 Lacs as laid down under the the scheme towards Interest on Debentures and Fixed Deposits, have been provided in the financial statements on the outstanding amount of Debentures and Fixed Deposits. Had interest of Rs. 1,683 Lacs been provided for in the financial statements of year ending 31st March 2018 on outstanding amount of Debentures and Fixed Deposits, the Net Profit before tax would have been lowered by Rs. 1,683 Lacs and Net Profit after tax would have been lowered by Rs. 1,340 Lacs as at 31st March, 2018. The cumulative net loss as well as Current Liabilities as at 31st March, 2020 would have been higher by Rs 1,340 Lacs. The same has been explained in Note 17.1 and Note 17.4*

Director's Comment:

In the year 2017, the Hon'ble Court has appointed a Committee to implement the report of One Man Committee and the committee is implementing the scheme. Once the implantation is over, the Court may decide payment of interest, if any. Keeping in view of this, the interest has not been provided in the books.

- 2 *For redemption of 'B' series debentures of Rs. 2014.98 Lacs debenture redemption reserve is required to be created. Debenture redemption reserve of Rs. 2014.98 Lacs has not been created due to insufficient profits. The same has been explained in Note 17.1.*

Director's Comment:

Creation Debenture Redemption Reserve - Non creation of debenture redemption reserve is self-explanatory and cannot be created due to insufficient profits.

- 3 *The value of assets charged as security in favor of banks, debenture-holders & financial institutions have been depleted over a period of time. The depletion has not yet been ascertained by the Company. To the extent of shortfall, if any, the liability is unsecured, whereas the same has been shown as secured. The same has been explained in Note 17.1, 17.2 and 17.3.*

Director's Comment:

Depletion in the value of Assets charged to Banks/Institution and Debentures Notes 17.1, 17.2 & 17.3, It relates to ascertainment of Security against Debentures and Bank Loan, which could not be ascertained since the Company has litigation with various Lease and Hire Purchase customers and the matters are sub-judice, hence confirmations and acknowledgments are not feasible.

- 4 *Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of which party wise details are not available. Balance confirmation of inter-corporate deposits, FD balances with Bank, interest on FD from banks, balance of ex-employees, margin against L/C, loans from institutions, banks, no dues certificate on payment of loans from bank and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/ payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials and the amount referred as payable in the financials can differ. Please refer Note No-38*

Director's Comment:

Balance Confirmation of Bills Receivable and Payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase and lease security deposit- Note 40-In view of litigation with creditors mentioned in the Note 38, it's not possible to obtain the balance confirmations.

5. *The subsidiary company namely, Global IT Options Limited has from 1st June 2014 to 31st March, 2018 incurred expenditure of Rs 22.84 Lacs for & on behalf of its Holding Company (i.e. DCM Financial Services Limited) and the same balance was outstanding as on 31st March 2019. It comes under the category of short term funding which is in-fact Inter-Corporate Deposit. In case of Inter-Corporate Deposit, Section 186 of Companies Act, 2013 stipulates to charge interest at a rate not less than the bank declared by Reserve Bank of India. No Interest has been provided on outstanding balance of Rs 22.84 Lacs by Company to its subsidiary - Global IT Options Limited with effect from 1-June-2014. It is a non-compliance of Section 186 of the Companies Act, 2013, which could attract penalties. We have discounted this liability considering the borrowing with interest @10% p.a. in FY 2015-16 considering that the same will be paid in FY 2019-20. However, the company has paid back the amount of Rs. 22.84 Lacs to its subsidiary in the FY 2019-20. Hence, the balance outstanding as on 31st March 2020 is NIL.*

Director's Comment:

Short-Term Funding by Global IT Options Limited- Para (vi): In view of restriction imposed by the Hon'ble High Court of Delhi on the operations of bank accounts since 2006, assistance of Rs. 22.84 lacs has been taken to meet the essential expenses and obligations from Global IT Options Limited which has been repaid during the year. The Company being sick and as the scheme of arrangement pending before the Court does not provide payment of any interest to creditors, the subsidiary company has given this amount without interest and element of interest and its payment will be decided once the Court appointed Committee accepts this claim and liquidity position improves.

6. Contingent liabilities and Other Commitments

- (i) *During the year ended 30th June, 2011 the company's tenant had filed a claim of Rs. 10,000,000 against the company due to damages suffered by the tenant which is still pending under arbitration proceedings as on 31st March, 2020*

Director's Comment:

There are certain disputes with the tenant and the claim of tenant is contested.

- (ii) *There is a demand of Rs. 34,58,900 for the Assessment Year 2006-07 and Rs. 357,542 for the Assessment Year 2012-13 for payment of income tax under the Income Tax Act, 1961, which is disputed by the company and pending before the appropriate authorities as on 31st March 2020.*

Director's Comment:

The Company has filed necessary application for the rectification for the deletion of said demand, however the same is pending.

- (iii) *There is an award passed by the arbitrator against the company in the matter of MS Shoes East Limited on May 28, 2012 for Rs. 5,128,320 i.e. the claim amount, along with Rs. 30,680,848 towards interest cost for an underwriting given by the company in the year 1995 for the public issue of M/s MS Shoes East Ltd. Furthermore, an incidental cost which includes arbitration venue rent, record keeping cost, administrative cost and stamp paper charges amounting to Rs. 549,280, had been awarded to the company. The total financial impact comes to Rs. 36,358,448 which has been contested by Company before Hon'ble Delhi High Court.*

Director's Comment:

Company has preferred an appeal/objections before Hon'ble High Court of Delhi in the MS Shoes East Limited matter against the arbitration order and the same pending adjudication.

- (iv) *Due to dispute with the builder namely M/s NBCC Ltd. from which the company had purchased an office premises in the year 1995, regarding a claim of Rs. 28,829,634 on account of increase in super area and certain other expenditure which the builder i.e. M/s NBCC Ltd. had incurred and the same is pending in arbitration. Breakup of the amount of Rs . 28,829,634 mentioned supra is as follows:*

S. No.	Description	Amount (In Lacs)
1.	Difference in super area Vs. provisional area	22,928,254/-
2.	Claim of property tax	319,100/-
3.	Claim of ground rent	2,167,190/-
4.	Allied charges	782,210/-
5.	Augmentation of Electric sub station	132,880/-
6.	Loss of profit	2,000,000/-
7.	Arbitration cost	500,000/-
TOTAL		28,829,634/-

Director's Comment:

The Sole arbitrator has in its award dated 17th Aug,2020 awarded an amount of Rs 78 lacs in favour of the Company against Rs 41 lacs awarded to NBCC in the said award.

B. SECRETARIAL AUDITOR

MANAGEMENT DISCUSSION AND ANALYSIS

We submit herewith the "Management Discussion and Analysis Report" on the business of the Company as applicable to the extent relevant.

THE COVID-19 PANDEMIC AND LOCKDOWN

We are amidst unprecedented times. The COVID-19 pandemic has spread across the world — leading to well above 4.7 million confirmed infections, over 315,000 deaths, enormous human suffering and a full stop on virtually all commercial and economic activities. Even India, apparently relatively fortunate up to now, has had 101,139 confirmed cases and 3,163 deaths as per COVID-19 Situation Report–120 of World Health Organisation (WHO) dated 19 May 2020. With lockdowns spreading across countries accounting for over 50% of the world's gross domestic product (GDP), COVID-19 has caused disruptions on an unimaginable scale. Nobody really knows how long the pandemic will last; whether it will increase in the winter of 2020-21 and if so how, and what will be its final toll on lives and livelihood. With the impact of this pandemic still to play out, the scenario of eerily empty high streets, shut factories and stores, and literally millions being rendered unemployed together point to a single outcome — extreme stress for the global economy of the kind not seen since the Great Depression.

In response, Governments across the world have unleashed massive fiscal measures to protect economic activity and dramatically strengthen health services and testing. Central banks, too, have initiated multiple monetary and regulatory measures.

India, too, has initiated relief measures. The Government of India announced a slew of wide-ranging reforms across varied sectors amidst a comprehensive package aggregating Rs. 20 lakh crore — or approximately 10% of nominal GDP — which covered among others (i) direct cash transfers and food security for vulnerable sections of society, (ii) collateral free loans and concessional credit to farmers and street vendors, (iii) enhancement of systemic liquidity by the Reserve Bank of India (RBI), (iv) special liquidity and partial credit guarantee scheme to provide liquidity to NBFCs, HFCs, MFIs and mutual funds, (v) 100% credit guarantee scheme for aggregate Rs. 3 lakh crore of emergency credit lines by banks and NBFCs to their MSME borrowers and (vi) subordinated debt and equity support to MSMEs. The Government has also initiated compliance relief measures across various regulatory requirements. The RBI has also initiated several measures like reduction in policy rates, monetary transmission, credit flows to the economy and providing relief on debt servicing.

INDUSTRY STRUCTURE AND DEVELOPMENT

India, too, has initiated relief measures. The Government of India announced a slew of wide-ranging reforms across varied sectors amidst a comprehensive package aggregating Rs. 20 lakh crore — or approximately 10% of nominal GDP — which covered among others (i) direct cash transfers and food security for vulnerable sections of society, (ii) collateral free loans and concessional credit to farmers and street vendors, (iii) enhancement of systemic liquidity by the Reserve Bank of India (RBI), (iv) special liquidity and partial credit guarantee scheme to provide liquidity to NBFCs, HFCs, MFIs and mutual funds, (v) 100% credit guarantee scheme for aggregate Rs. 3 lakh crore of emergency credit lines by banks and NBFCs to their MSME borrowers and (vi) subordinated debt and equity support to MSMEs. The Government has also initiated compliance relief measures across various regulatory requirements. The RBI has also initiated several measures like reduction in policy rates, monetary transmission, credit flows to the economy and providing relief on debt servicing.

GDP growth for FY2020 was 4.2% — worst in the last 11 years.

Industry Overview

Non-banking financial companies (NBFCs) form an integral part of the Indian financial system. They play an important role in nation building and financial inclusion by complementing the banking sector in reaching out credit to the unbanked segments of society, especially to the micro, small and medium enterprises (MSMEs), which form the cradle of entrepreneurship and innovation. NBFCs' ground-level understanding of their customers' profile and their credit needs give them an edge, as does their ability to innovate and customize products as per their clients' needs. This makes them the perfect conduit for delivering credit to the unbanked and SMEs. However, NBFCs operate under certain regulatory constraints, which put them at a disadvantage position vis-à-vis banks. While there has been a regulatory convergence between banks and NBFCs on the asset side, on the liability side, NBFCs still do not enjoy a level playing field. This needs to be addressed to help NBFCs realize their full potential and thereby perform their duties with greater efficiency.

The NBFC sector continued to grow its share in the financial services industry. Credit growth of scheduled commercial banks (SCBs) continued to moderate throughout FY2020. On 31 March 2019, growth in advances of SCBs was 13.2%. By 30 September 2019, this had reduced to 8.7%

and on 27 March 2020, it was further down to 6.1%. SCBs also continued to face asset quality challenges in FY2020. Data published by the RBI in its Financial Stability Report dated 27 December 2019 show that NBFCs have outperformed SCBs on asset quality.

To strengthen the asset-liability profile of the sector, RBI introduced a liquidity coverage ratio (LCR) requirement for all NBFCs with AUM of ₹ 5,000 crore and above. The LCR regulation mandates NBFCs to maintain a minimum level of high-quality liquid assets to cover expected net cash outflows in a stressed scenario. The regulation also stipulates that NBFCs should attain LCR of 100% in a phased manner over a period of four years starting December 2020. It is a welcome regulatory change and will significantly strengthen the ALM profile of the NBFC sector. The RBI's moratorium measures for customers are likely to put additional stress on many NBFCs. There is an asymmetry. On one hand, NBFCs have to offer such moratoriums to their customers; while on the other, their market borrowings must be repaid on due dates.

OPPORTUNITIES, CHALLENGES AND OUTLOOK

Opportunities

NBFCs have served the unbanked customers by pioneering into retail asset-backed lending, lending against securities and microfinance. Following variables in the external environment may be seen as opportunities for the Company:

- The Government of India announced a slew of wide-ranging reforms across varied sectors amidst a comprehensive package aggregating Rs. 20 lakh crore — or approximately 10% of nominal (vi) subordinated debt and equity support to MSMEs.
- NBFCs aspire to emerge as a one-stop shop for all financial services.
- The sector has witnessed moderate consolidation activities in recent years, a trend expected to continue in the near future.
- New banking license-related guidelines issued by RBI place NBFCs ahead in competition for licenses owing largely to their rural network.
- New RBI guidelines on NBFCs with regard to capital requirements, provisioning norms & enhanced disclosure requirements are expected to benefit the sector in the long run.

Challenges

Competitive rivalry between big players is intense in the industry

- Global recession due to COVID-19 pandemic.
- Working Capital and Liquidity Stress in the market.
- Low demand in the market.
- Financial services companies often compete on the basis of offering lower financing rates, higher deposit rates and investment services;
- Stringent regulatory norms prevent new entrants;
- Customers prefer to invest their money with a reputed financial services company offering a wide range of services;
- Medium bargaining power of customers. Although customers do not have much bargaining power, they can easily switch to another company based on the terms and quality of services provided.

Outlook

Although slowdown in all business sector including NBFC and trade tensions between the US and China were among the many factors that softened the economic outlook for 2019, the year did begin on a firm footing. The projected global economic growth, albeit downgraded, was 2.9%. Despite the economic and financial headwinds, growth in developing Asia was projected to remain a robust 5.5% during 2019 (Asian Development Outlook, Update, September 2019). However, in 2019-20, the Indian economy grew by 4.2% against 6.1% expansion in 2018-19. Due to the COVID-19 pandemic, the International Monetary Fund has projected a sharp contraction of the global economy to a status much worse than what resulted from the 2008-09 financial crisis.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable accounting standards issued by the Institute of Chartered Accountants of India. The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Accounts and other financial statements forming part of this annual report.

INTERNAL CONTROL SYSTEM

Given the magnitude and nature of its business, the Company has maintained sound and commercial practice with an effective internal control system. The system ensures that all transactions are authorized, recorded and reported correctly to safeguard the assets of the Company and protect them from any loss due to unauthorized use or disposition. The adequate internal information system is in place to ensure proper information flow for the decision-making process. The Company also has well-established processes and clearly defined roles and responsibilities for people at various levels. The control mechanism also involves well documented policies, authorization guidelines commensurate with the level of responsibility and standard operating procedures specific to the respective businesses, adherence to which is strictly ensured. Internal audit is carried out frequently to create awareness and to take corrective actions on the respective units or areas, which need rectification. These reports are then reviewed by the "Management Team" and the "Audit Committee" for follow-up action.

HUMAN RESOURCE DEVELOPMENT

The Company regards its human resources as amongst its most valuable assets and proactively reviews policies and processes by creating a work environment that encourages initiative, provides challenges and opportunities and recognizes the performance and potential of its employees attracting and retaining the best manpower available by providing high degree of motivation.

Your Company believes in trust, transparency & teamwork to improve employees productivity at all levels.

CAUTIONARY STATEMENT

The management discussion and analysis report containing your Company's objectives, projections, estimates and expectation may constitute certain statements, which are forward looking within the meaning of applicable laws and regulations. The statements in this management discussion and analysis report could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operation include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in the governmental regulations, tax regimes, forex markets, economic developments within India and the countries with which the Company conducts business and other incidental factors.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]To

To,

The Members,

DCM FINANCIAL SERVICES LIMITED

ADD: D-7/3, Okhla Industrial Area,

Phase-2, New Delhi-110020

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **DCM Financial Services Limited** (hereinafter called the company). Secretarial Audit was conducted in a manner that provides us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the **DCM Financial Services Limited's** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on **31st March, 2020** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31st March, 2020** according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings-
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015
 - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (e) The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014
 - (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008- **Not applicable during the period under review.**
 - (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009-
Not applicable during the period under review.
 - (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018-
Not applicable during the period under review.
 - (j) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018.

- (vi) The Environment (Protection) Act, 1986
- (vii) The EPF & Misc. Provisions Act, 1952;
- (viii) Industrial and Labour Laws;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS-1 & SS-2) pursuant to section 118(10) of the Act, issued by The Institute of Company Secretaries of India;
- (ii) Listing Agreements entered into by the Company with BSE Ltd., National Stock Exchange of India Ltd., and Calcutta Stock Exchange Limited as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors and Key Managerial personnel of the Company that took place during the year under review were carried out in compliance with the provision of the Act.

As per the management's representation, adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the management's representation, majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there is one case pending with Hon'ble Delhi High Court against the company, the noting of the same is given below.

1. It is imperative to mention here that the R.B.I. had filed a petition for winding up of the Company being CP No 296/2004. The petition for winding up was heard on 6th March, 2006 and the Hon'ble Court directed that the Company shall not operate its bank accounts without the permission of the court. It is further pertinent to mention that the order is still in operation.
2. The Company had issued non- convertible debentures in the year 1995- 96 on private placement basis, wherein the Central Bank of India had been appointed as their Debenture Trustee. Further, at the time when redemption of the said debentures got due, the Company was ordered by Reserve Bank of India to make re-payment to the deposit holders in priority to any other "Creditor" including the Redemption of these Debentures. However, due to serious financial and cash flow constraints being faced by the Company, the Company could not make payment to any party. Thereafter, the matter went to the Hon'ble High Court in the form of a scheme which got approved on 10th August, 2017.

Further, as required under the approved scheme, the Company has duly initiated the process of making repayment to the Deposit Holders.

We further report that based on review of compliance mechanism established by the Company, we are of the opinion that there are adequate systems and processes in place in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines:-

As informed, the Company has responded appropriately to notices received from various statutory/regulatory authorities including initiating actions for corrective measures, wherever found necessary.

As informed, the Company has been imposed a penalty by BSE Limited & National Stock Exchange of India Limited of Rs. 88,500/- and Rs. 41,300/- respectively on the occurrence of default in compliance of Regulation 33 of SEBI (LODR) Regulation, 2015 read with the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We submit herewith the “Management Discussion and Analysis Report” on the business of the Company as applicable to the extent relevant.

THE COVID-19 PANDEMIC AND LOCKDOWN

We are amidst unprecedented times. The COVID-19 pandemic has spread across the world — leading to well above 4.7 million confirmed infections, over 315,000 deaths, enormous human suffering and a full stop on virtually all commercial and economic activities. Even India, apparently relatively fortunate up to now, has had 101,139 confirmed cases and 3,163 deaths as per COVID-19 Situation Report–120 of World Health Organisation (WHO) dated 19 May 2020. With lockdowns spreading across countries accounting for over 50% of the world’s gross domestic product (GDP), COVID-19 has caused disruptions on an unimaginable scale. Nobody really knows how long the pandemic will last; whether it will increase in the winter of 2020-21 and if so how, and what will be its final toll on lives and livelihood. With the impact of this pandemic still to play out, the scenario of eerily empty high streets, shut factories and stores, and literally millions being rendered unemployed together point to a single outcome — extreme stress for the global economy of the kind not seen since the Great Depression.

In response, Governments across the world have unleashed massive fiscal measures to protect economic activity and dramatically strengthen health services and testing. Central banks, too, have initiated multiple monetary and regulatory measures.

India, too, has initiated relief measures. The Government of India announced a slew of wide-ranging reforms across varied sectors amidst a comprehensive package aggregating Rs. 20 lakh crore — or approximately 10% of nominal GDP — which covered among others (i) direct cash transfers and food security for vulnerable sections of society, (ii) collateral free loans and concessional credit to farmers and street vendors, (iii) enhancement of systemic liquidity by the Reserve Bank of India (RBI), (iv) special liquidity and partial credit guarantee scheme to provide liquidity to NBFCs, HFCs, MFIs and mutual funds, (v) 100% credit guarantee scheme for aggregate Rs. 3 lakh crore of emergency credit lines by banks and NBFCs to their MSME borrowers and (vi) subordinated debt and equity support to MSMEs. The Government has also initiated compliance relief measures across various regulatory requirements. The RBI has also initiated several measures like reduction in policy rates, monetary transmission, credit flows to the economy and providing relief on debt servicing.

INDUSTRY STRUCTURE AND DEVELOPMENT

India, too, has initiated relief measures. The Government of India announced a slew of wide-ranging reforms across varied sectors amidst a comprehensive package aggregating Rs. 20 lakh crore — or approximately 10% of nominal GDP — which covered among others (i) direct cash transfers and food security for vulnerable sections of society, (ii) collateral free loans and concessional credit to farmers and street vendors, (iii) enhancement of systemic liquidity by the Reserve Bank of India (RBI), (iv) special liquidity and partial credit guarantee scheme to provide liquidity to NBFCs, HFCs, MFIs and mutual funds, (v) 100% credit guarantee scheme for aggregate Rs. 3 lakh crore of emergency credit lines by banks and NBFCs to their MSME borrowers and (vi) subordinated debt and equity support to MSMEs. The Government has also initiated compliance relief measures across various regulatory requirements. The RBI has also initiated several measures like reduction in policy rates, monetary transmission, credit flows to the economy and providing relief on debt servicing.

GDP growth for FY2020 was 4.2% — worst in the last 11 years.

Industry Overview

Non-banking financial companies (NBFCs) form an integral part of the Indian financial system. They play an important role in nation building and financial inclusion by complementing the banking sector in reaching out credit to the unbanked segments of society, especially to the micro, small and medium enterprises (MSMEs), which form the cradle of entrepreneurship and innovation. NBFCs’ ground-level understanding of their customers’ profile and their credit needs give them an edge, as does their ability to innovate and customize products as per their clients’ needs. This makes them the perfect conduit for delivering credit to the unbanked and SMEs. However, NBFCs operate under certain regulatory constraints, which put them at a disadvantage position vis-à-vis banks. While there has been a regulatory convergence between banks and NBFCs on the asset side, on the liability side, NBFCs still do not enjoy a level playing field. This needs to be addressed to help NBFCs realize their full potential and thereby perform their duties with greater efficiency.

The NBFC sector continued to grow its share in the financial services industry. Credit growth of scheduled commercial banks (SCBs) continued to moderate throughout FY2020. On 31 March 2019, growth in advances of SCBs was 13.2%. By 30 September 2019, this had reduced to 8.7% and on 27 March 2020, it was further down to 6.1%. SCBs also continued to face asset quality challenges in FY2020. Data published by the RBI in its Financial Stability Report dated 27 December 2019 show that NBFCs have outperformed SCBs on asset quality.

To strengthen the asset-liability profile of the sector, RBI introduced a liquidity coverage ratio (LCR) requirement for all NBFCs with AUM of ₹ 5,000 crore and above. The LCR regulation mandates NBFCs to maintain a minimum level of high-quality liquid assets to cover expected net cash outflows in a stressed scenario. The regulation also stipulates that NBFCs should attain LCR of 100% in a phased manner over a period of four years starting December 2020. It is a welcome regulatory change and will significantly strengthen the ALM profile of the NBFC sector. The RBI's moratorium measures for customers are likely to put additional stress on many NBFCs. There is an asymmetry. On one hand, NBFCs have to offer such moratoriums to their customers; while on the other, their market borrowings must be repaid on due dates.

OPPORTUNITIES, CHALLENGES AND OUTLOOK

Opportunities

NBFCs have served the unbanked customers by pioneering into retail asset-backed lending, lending against securities and microfinance. Following variables in the external environment may be seen as opportunities for the Company:

- The Government of India announced a slew of wide-ranging reforms across varied sectors amidst a comprehensive package aggregating ₹ 20 lakh crore — or approximately 10% of nominal (vi) subordinated debt and equity support to MSMEs.
- NBFCs aspire to emerge as a one-stop shop for all financial services.
- The sector has witnessed moderate consolidation activities in recent years, a trend expected to continue in the near future.
- New banking license-related guidelines issued by RBI place NBFCs ahead in competition for licenses owing largely to their rural network.
- New RBI guidelines on NBFCs with regard to capital requirements, provisioning norms & enhanced disclosure requirements are expected to benefit the sector in the long run.

Challenges

Competitive rivalry between big players is intense in the industry

- Global recession due to COVID-19 pandemic.
- Working Capital and Liquidity Stress in the market.
- Low demand in the market.
- Financial services companies often compete on the basis of offering lower financing rates, higher deposit rates and investment services;
- Stringent regulatory norms prevent new entrants;
- Customers prefer to invest their money with a reputed financial services company offering a wide range of services;
- Medium bargaining power of customers. Although customers do not have much bargaining power, they can easily switch to another company based on the terms and quality of services provided.

Outlook

Although slowdown in all business sector including NBFC and trade tensions between the US and China were among the many factors that softened the economic outlook for 2019, the year did begin on a firm footing. The projected global economic growth, albeit downgraded, was 2.9%. Despite the economic and financial headwinds, growth in developing Asia was projected to remain a robust 5.5% during 2019 (Asian Development Outlook, Update, September 2019). However, in 2019-20, the Indian economy grew by 4.2% against 6.1% expansion in 2018-19. Due to the COVID-19 pandemic, the International Monetary Fund has projected a sharp contraction of the global economy to a status much worse than what resulted from the 2008-09 financial crisis.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable accounting standards issued by the Institute of Chartered Accountants of India. The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Accounts and other financial statements forming part of this annual report.

INTERNAL CONTROL SYSTEM

Given the magnitude and nature of its business, the Company has maintained sound and commercial practice with an effective internal control system. The system ensures that all transactions are authorized, recorded and reported correctly to safeguard the assets of the Company and protect them from any loss due to unauthorized use or disposition. The adequate internal information system is in place to ensure proper information flow for the decision-making process. The Company also has well-established processes and clearly defined roles and responsibilities for people at various levels. The control mechanism also involves well documented policies, authorization guidelines commensurate with the level of responsibility and standard operating procedures specific to the respective businesses, adherence to which is strictly ensured. Internal audit is carried out frequently to create awareness and to take corrective actions on the respective units or areas, which need rectification. These reports are then reviewed by the "Management Team" and the "Audit Committee" for follow-up action.

HUMAN RESOURCE DEVELOPMENT

The Company regards its human resources as amongst its most valuable assets and proactively reviews policies and processes by creating a work environment that encourages initiative, provides challenges and opportunities and recognizes the performance and potential of its employees attracting and retaining the best manpower available by providing high degree of motivation.

Your Company believes in trust, transparency & teamwork to improve employees productivity at all levels.

Presently the said committee has waived any further payment of Interest to Fixed Depositors, Debenture-holders and other lenders, however on complete liquidation of properties and investments, if any surplus remains after payment to all stakeholder creditors, then further payment of Interest would be decided. All stakeholders creditors which are covered under scheme has given its consent to the scheme. No provision of Rs. 1,683 Lacs as laid down under the the scheme towards Interest on Debentures and Fixed Deposits, have been provided in the financial statements on the outstanding amount of Debentures and Fixed Deposits.

Had interest of Rs. 1,683 Lacs been provided for in the financial statements of year ending 31st March 2018 on outstanding amount of Debentures and Fixed Deposits, the Net Profit before tax would have been lowered by Rs. 1,683 Lacs and Net Profit after tax would have been lowered by Rs. 1,340 Lacs as at 31st March, 2018. The cumulative net loss as well as Current Liabilities as at 31st March, 2020 would have been higher by Rs 1,340 Lacs. The same has been explained in **Note 17.1 and Note 17.4**

- (ii) For redemption of 'B' series debentures of Rs. 2014.98 Lacs debenture redemption reserve is required to be created. Debenture redemption reserve of Rs. 2014.98 Lacs has not been created due to insufficient profits. The same has been explained in **Note 17.1**.
- (iii) The value of assets charged as security in favor of banks, debenture-holders & financial institutions have been depleted over a period of time. The depletion has not yet been ascertained by the Company. To the extent of shortfall, if any, the liability is unsecured, whereas the same has been shown as secured. The same has been explained in **Note 17.1, 17.2 and 17.3**.
- (iv) Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of

which party wise details are not available. Balance confirmation of inter-corporate deposits, FD balances with Bank, interest on FD from banks, balance of ex-employees, margin against L/C, loans from institutions, banks, no dues certificate on payment of loans from bank and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials and the amount referred as payable in the financials can differ. Please refer **Note No-38**

- (v) The subsidiary company namely, Global IT Options Limited has from 1st June 2014 to 31st March, 2018 incurred expenditure of Rs 22.84 Lacs for & on behalf of its Holding Company (i.e. DCM Financial Services Limited) and the same balance was outstanding as on 31st March 2019. It comes under the category of short term funding which is in-fact Inter-Corporate Deposit. In case of Inter-Corporate Deposit, Section 186 of Companies Act, 2013 stipulates to charge interest at a rate not less than the bank declared by Reserve Bank of India. No Interest has been provided on outstanding balance of Rs 22.84 Lacs by Company to its subsidiary - Global IT Options Limited with effect from 1-June-2014. It is a non-compliance of Section 186 of the Companies Act, 2013, which could attract penalties. We have discounted this liability considering the borrowing with interest @10% p.a. in FY 2015-16 considering that the same will be paid in FY 2019-20. However, the company has paid back the amount of Rs. 22.84 Lacs to its subsidiary in the FY 2019-20. Hence, the balance outstanding as on 31st March 2020 is NIL.

(vi) **Contingent liabilities and Other Commitments**

- vi (a) During the year ended 30th June, 2011 the company's tenant had filed a claim of Rs. 10,000,000 against the company due to damages suffered by the tenant which is still pending under arbitration proceedings as on 31st March, 2020.
- vi (b) There is a demand of Rs. 34,58,900 for the Assessment Year 2006-07 and Rs. 357,542 for the Assessment Year 2012-13 for payment of income tax under the Income Tax Act, 1961, which is disputed by the company and pending before the appropriate authorities as on 31st March 2020.
- vi (c) There is an award passed by the arbitrator against the company in the matter of MS Shoes East Limited on May 28, 2012 for Rs. 5,128,320 i.e. the claim amount, along with Rs. 30,680,848 towards interest cost for an underwriting given by the company in the year 1995 for the public issue of M/s MS Shoes East Ltd. Furthermore, an incidental cost which includes arbitration venue rent, record keeping cost, administrative cost and stamp paper charges amounting to Rs. 549,280, had been awarded to the company. The total financial impact comes to Rs. 36,358,448 which has been contested by Company before Hon'ble Delhi High Court.
- vi (d) Due to dispute with the builder namely M/s NBCC Ltd. from which the company had purchased an office premises in the year 1995, regarding a claim of Rs. 28,829,634 on account of increase in super area and certain other expenditure which the builder i.e. M/s NBCC Ltd. had incurred and the same is pending in arbitration. Breakup of the amount of Rs. 28,829,634 mentioned supra is as follows:

S. No.	Description	Amount
1.	Difference in super area Vs. provisional area	22,928,254/-
2.	Claim of property tax	319,100/-
3.	Claim of ground rent	2,167,190/-
4.	Allied charges	782,210/-
5.	Augmentation of Electric sub station	132,880/-
6.	Loss of profit	2,000,000/-
7.	Arbitration cost	500,000/-
TOTAL		28,829,634/-

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:-

- (i) We draw attention to **Note 36** in the financial statements, which indicates that the Company incurred a net loss of Rs. 32,08,547 during the year ended March 31, 2020 and, as of that date, the Company's current liabilities exceeded its total assets by Rs. 413,831,396. The accumulated loss as on 31st March, 2020 stands to Rs. 85,73,95,457/- (Previous year Rs. 85,48,86,910/-). As on 31st March, 2020, the Company's total liabilities exceeded to its total assets by Rs. 43,51,73,731/- (Previous year Rs. 43,19,65,185/-).

As stated in Note 36, these events or conditions, along with other matters as set forth in Note 36 which are as under :-

The Company is not carrying on any business as to comply with the directives of the Reserve Bank of India, the company ceased to accept deposits from September 1997 and the company's application to RBI for certificate of registration (CoR) as a NBFC had been rejected by the RBI in year 2004. The Company contends that the Scheme of One Man Committee shall be implemented in full and other aspect of fresh restructuring scheme such issuance of equity to SBI Home Finance Limited and Pressman Leasing would be approved/decided upon by the Hon'ble Delhi High Court and accordingly the decision on revival of Company would be taken by Hon'ble Delhi High Court. It indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

- (ii) We draw attention to **Note 26** in the financial statements regarding successful implementation of scheme of One Man Committee on which continuity and revival of the Company is completely dependent which not only includes successful implementation of Schedule of payments described under Phase-I and Phase-II, but also realisability of funds from the disposal of Fixed Assets especially Building which is under dispute with Tenant as well as NBCC.
- (iii) We draw attention to **Note 32** in the financial statements on the deposit Rs. 195,000,000 with the Hon'ble Delhi High Court. DCM Services Ltd, as a promoter had committed to bring in Rs. 195,000,000 as a promoter contribution upon sanction of their restructuring scheme under erstwhile Section 391 of the Indian Companies Act, 1956 which is under implementation by One Man Committee appointed with the direction of Hon'ble Delhi High Court. The Court vide order dated 06.05.2008 has asked DCM Services Limited to deposit Rs. 195,000,000 with the Court and pursuant to the court order DCM Services Limited deposited Rs 50,000,000 on 16.07.2010, Rs 67,000,000 on 18.11.2010, Rs. 39,000,000 on 21.04.2011 & Rs. 39,000,000 on 27.04.2012 aggregating to Rs. 195,000,000 on behalf of the promoters with the Registrar, Hon'ble Delhi High Court. All the funds are with Delhi High Court along-with accrued interest thereon. No financial impact of this has been recorded in the financials of the company till 31st March, 2020 as there is no clarity provided by Hon'ble High Court of Delhi on whether Company would have to issue any shares against such contribution as per SEBI guidelines or such amount would be refundable to DCM Services Limited by company or there would be no liability on the Company to either to pay the said amount or issue any shares in lieu of that. Till Company gets any clarity on this matter, no financial entry has been recorded in the books of accounts.

Other Matter

We draw attention to **Note 40** to the financial statements, regarding management's assessment of Covid-19 impact on the future performance of the company. Our report is not modified in respect of the matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Director's Report, Report on Corporate Governance and General Shareholders Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure 'A' statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- i. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 28 to the financial statements;
 - ii. The Company has made necessary provision in its financial statements under the applicable law or Indian accounting standards, wherever required;
 - iii. The company moved an application before the Hon'ble Company Law Board, New Delhi on 22nd July 2004 under Regulation 44 of the Company Law Regulations 1991 proposing a fresh repayment schedule for fixed depositors, debenture-holders and other creditors of the Company. The company filed a Fresh Scheme of Arrangement for the reorganization of the share capital of the company and for compromise with the secured and unsecured creditors of the company, hereinafter referred to as the "Fresh Restructuring Scheme" before the Hon'ble Delhi High Court on 24th September 2004 mentioning therein repayment schedule.

Justice Anil Kumar as one man committee was appointed vide order dated:- 3rd September, 2015 by the Hon'ble High Court of Delhi to scrutinize the list of depositors and other claimants and to take steps enumerated hereinafter with the view to resolve at-least some of the disputes. The one man committee submitted its report on to Hon'ble High Court of Delhi on 22nd April, 2016. Taking cognizance of the report, Hon'ble High Court of Delhi on 10th August, 2017 accepted the recommendation of one man committee enumerated in the report. One Man Committee observed that that it already has sufficient funds, ready cash, to repay about 70% of the deposits to all the depositors having deposits of more than Rs 5,000 including secured creditors in the first stage. Under Phase -1, 70% of the principal amount be paid to the creditors having deposits of more than 5,000 and full amount be paid to those who have deposits of Rs. or less than Rs.5,000 in the first instance to fixed depositors, Debenture-holders and banks. In the second phase, which should also commence with phase 1 simultaneously, properties and shares and all the assets be liquidated by selling and the realized amount is recommended to be utilized for the repayment of balance 30% of principal amount and the maturity interest component only on the fixed deposits and debentures. Other creditors such as banks, financial institutions, ICD Holders shall also be paid 30% of the Principal Amount except to SBI Home Finance Limited and Pressman Leasing which will be issued equity shares in Second Phase. Depending upon the availability of surplus amount from disposal of assets with the Company, the Hon'ble High Court of Delhi may decide whether some additional amount of interest can be paid to depositors or other creditors. During the year ended 31st March, 2018, Company started paying the amount as per Phase-I and the company is still in continuation of making payments as per Phase I for the year ended 31st March 2020. Also the company has started making payments as per Phase II simultaneously during the current financial year.

The One Man committee earlier recommended to pay to the creditors 70% of the principal amount. The above said arrangement was modified by the committee on 18th May 2019 and accordingly it has been decided to pay creditors in full who have claimed amount as per procedure set by the committee and whose documents have been verified. As per the claims made by the creditors 100% of principal being paid to them. Also company has also started paying balance 30% to creditors to whom 70% has already been paid previously. The balance payable to creditors is as per books and who have not claimed so far or their documents are under verification.

The matter regarding payment to fixed depositors, debenture-holders and other sums are already covered under Phase-I and Phase-II schedule of payment decided by One Man Committee duly appointed by Hon'ble Delhi High Court.

ANNEXURE-B " TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in Paragraph 2 (f) under the heading of ' report on other legal and regulatory requirements" of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (f he Act)

We have audited the internal financial controls over financial reporting of DCM FINANCIAL SERVICES LIMITED ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal policies & procedures, accounting records and essential components on the internal control over financial reporting criteria established by the Company as per Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal

financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2020.

We have considered the disclaimer reported above in determining the nature, volume of transactions, materiality, timing, and extent of audit test applied in our audit of the standalone financial statement of the company and the disclaimer does not affect our opinion on the standalone financial statements of the company.

The Company proposes to allot shares worth Rs. 25.00 Lacs to SBI Home Finance Ltd. as per the Decree awarded by the 'Hon'ble High Court of Delhi at New Delhi, within two' years from the effective date of the scheme as per applicable SEBI guidelines	
Total	25.00

Since, the number of shares to be allotted are not clear, presently the amount of Rs. 25 Lacs is shown in Liabilities and not under other equity. The same shall be reclassified depending upon whether Company has to issue variable number of equity shares or fixed number of equity shares.

14.2 INDUSIND BANK

- (a) **STATUS AS AT 31-MARCH-2017 and as on 31-MARCH-2020** - IndusInd Bank: The amount payable to IndusInd Bank after calculating interest up to March 31, 2000 had been quantified at Rs. 65,149,000 as on 30-June-2004 in accordance with the "Fresh Restructuring Scheme Under Review". Out of which Fixed Deposit of Rs 74, 49,324 has been adjusted by IndusInd Bank. The balance amount of Rs. 57,699,676 shall be payable as per Fresh Restructuring Scheme. Out Rs. 57,699,676, Rs. 2,83,82,676 shall be payable in six equal yearly installments of Rs 56,76,400 from the 2nd year of of the effective date of approval of Fresh Restructuring Scheme by Hon'ble Delhi High Court . The balance of Rs 2,93,17,000 shall be converted in equity shares at any time within 3 years of the effective date of approval of Fresh Restructuring Scheme by Hon'ble Delhi High Court in accordance with applicable SEBI Guidelines for issuance of preferential allotment. Pursuant to an earlier agreement with the bank, from April 1, 2000 till 31st March 2005, interest at a compounded half yearly rate of 10% p.a. has been computed at Rs. 30,020,010, which has already been paid by way of allotment of equity shares of Rs. 10/- each at a premium of Rs. 20/- on 31st March 2001 in advance. The same has been adjusted while arriving at balance of Rs. 65,149,000 as on 30th June 2004. The Fresh Restructuring Scheme does not envisage any payment of interest from 1st-April-2000. Interest payable from 01.04.2005 to 31.03.2017 is also not provided since a Fresh Restructuring Scheme, which is subject to the approval of Hon'ble High Court of Delhi, has been submitted which does not envisage payment of any interest.

(b) **DECISION OF ONE MAN COMMITTEE**

Decision of One MAN COMMITTEE - Now, as per the scheme, the total principal amount payable to IndusInd Bank has been quantified at Rs 6.515 Lacs as on 30th June 2004. This figure has been arrived at after calculating interest upto 31st March 2000 @12% p.a. compounded quarterly on the principal amount of L/C devolvement, after allowing credits for actual amounts paid till date and credit for margin money amounting to Rs. 35.99 Lacs, and excludes penal interest/additional interest/overdue charges, if any, debited by the Bank. (Present outstanding after all adjustments is Rs 5.77Cr) The settlement made with the Bank in the earlier scheme has been considered as the base. The total amount payable under the scheme to IndusInd Bank so quantified shall be repaid in line with the above settlement and RBI guidelines of OTS is as under:

(i) **Amount due to INDUSIND Bank**

Particulars	Amount (In Cr)
I. Principal Outstanding	5.77
II. Maturity Interest	-
Total	5.77

(ii) **Payment Schedule**

Particulars	Phase-I	Phase-II
I. 70% of total principal amount	4.04	-
II. 30% of total amount	-	1.73
III. Maturity Interest	-	-
Total	4.04	1.73

Now, after approval of Fresh Restructuring Scheme as recommended by One Man Committee, the payment to IndusInd Bank is restricted to the Principal Amount only. Hence, no payment of Interest was envisaged in the Scheme

According to the recommendation of One Man Committee the principal outstanding of Rs. 4.04 crores of IndusInd Bank as per Phase - I was repaid in Year 2017-18 and balance of Rs. 1.73 crore which was outstanding as on 01.04.2019 has also been paid during the year 2019-20. Now the outstanding balance as per books is NIL as on 31st March 2020.

- (c) The Loan of IndusInd Bank was acquired by DCM Anubhavi Marketing Private Limited. The company pursuant to scheme of One Man Committee, has paid 70% of the principal amount to DCM Anubhavi Marketing Private Limited in the FY 17-18, being assignee of said loan of IndusInd Bank under Phase-I. The balance 30% amount i.e. Rs. 1.73 crores has been repaid in the current year. The closing balance as on 31st March 2020 is Nil.

(d)	Statement on Reconciliation of Loan:	Amount In Rs.
	Principal Outstanding as per the Scheme	57,699,675
	Less: Redemption made during the Year 2017-18	40,389,773
	Less: Repayment made during the Year 2019-20	17,309,903
	Balance as on 31st March 2020	-

14.3 **PRESSMAN LEASING**

(a) **DECISION OF ONE MAN COMMITTEE**

The amount due to M/s, Pressman Leasing has been quantified at the lump sum of Rs 4.10 Cr and such amount would be paid 55% (Rs. 2.26 Crore) in cash and 45% (Rs. 1.84 Crore) in shares and details are under:-

Particulars	Amount (In Cr)	
	Phase-I	Phase-II
I. 70% of total principal amount	1.58	-
II. 30% of total amount	-	0.68
Total	1.58	0.68

- (b) The Company has to allot fully paid up shares of the Company (45% of 4.10 crores i.e. 1.84 Crore) as per SEBI guidelines to Pressman Leasing as per the Decree awarded by the 'Hon'ble High Court of Delhi at New Delhi, within two' years from the effective date of the scheme.

Since, the number of shares to be allotted are variable, the amount is shown in Liabilities and not equity.

- (c) The Interest dues were waived and cancelled.

- (d) The Loan of Pressman Leasing (55% of 4.10 crore i.e. 2.26 Crore) was acquired by DCM Services Limited. The company pursuant to scheme of One Man Committee, has paid 70% i.e. Rs. 1.56 Crore of the principal amount to DCM Services Limited under Phase-I during the year ended 31-March-2018, being assignee of said loan of Pressman Leasing. The balance 30% amount which was outstanding as on 01st April 2019 and was included in the Payment to Related Party has been released as per Phase-II as per Schedule. The closing balance after payment as per phase II of Rs. 0.68 lacs to Pressman Leasing is NIL as on 31st March 2020.

14.4 **OTHERS**

The One Man committee earlier recommended to pay to the creditors 70% of the principal amount. The above said arrangement was modified by the committee on 18th May 2019 and accordingly it has been decided to pay creditors who have claimed amount as per procedure set by the committee and whose documents have been verified. As per the claims made by the creditors 100% of principal being paid to them and balance 30% to creditors whom 70% has already been paid has also started by the company. The balance payable to creditors is as per books and who have not claimed so far or their documents are under verification.

- Deep Discount Bonds	25,396,497	26,404,226
	184,867,923	202,208,752

(b) Scheme "A" Series

The company had allotted the Debenture 'A' series on 28th February, 1996 and 23rd September, 1996 respectively. These debentures are secured against mortgage/hypo-thection/charge on assets financed out of the proceeds of these debentures. The outstanding debentures of Rs. 710,000 were overdue as on March 31, 2019 out of which Rs 5,00,000 have been repaid during the year 2019-2020. The remaining overdue balance are to be paid as per report of One Man Committee under Fresh Restructuring Scheme.

(c) Scheme "B" Series

Debenture 'B' Series were allotted on 5th November, 1996 and are secured against hypothecation/charge on land and premises situated at Mouje Pirangut, Taluka Mulshi, Distt Pune in the State of Maharashtra alongwith all buildings, structures thereon and all plant and machinery, spares, tools, accessories and other movables of the Company, both present and future, whether installed or not. The total amount of debentures allotted were Rs 281,804,100 which matured for redemption on 5th May, 1998. Out of total debentures allotted amounting to Rs 281,804,100, debentures of Rs. 9,71,46,177 have been redeemed till March 31st, 2020. The remaining debentures as at March 31, 2020 in the "B" series amounting to Rs 18,46,57,923 consist of the following:-

Particulars	Amount in Rs.	Amount in Rs.
19.5% Regular	78,951,189	87,586,989
19.5% Cumulative	80,310,237	87,507,537
Deep Discount Bonds	25,396,497	26,404,226
Total	184,657,923	201,498,752

(d) The value of assets charged in favor of debentures has been depleted over a period of time but the depletion has not been ascertained. To the extent of shortfall, if any, the liability is unsecured.

(e) A supplementary trust deed for giving effect to the proposed repayment plans as provided in Clause 44 of the Trust deed has not been prepared by the trustees so far.

(f) **Status till 31-March-2017 and till 31st March 2020** - Provision of interest on debentures up to 31st March, 2017 from the date of renewal offer letter of 1998 is calculated @ 10% p.a. of simple interest on 19.5% Debenture "B" Series and regular interest on Debenture "A" Series amounting to approximately Rs. 482,230,034 has not been provided since a Fresh Restructuring Scheme that is subject to the approval of the Hon'ble High Court of Delhi has been submitted which does not envisage payment of any interest. The rate of 10% per annum issued for Fixed Depositors is based on the order of Company Law Board (CLB) which was pronounced for Fixed Depositors. Though Fresh Scheme does not envisage payment of any interest, it has been considered prudent to provide Interest of 10% per annum on 19.5% Debenture "B" Series and regular interest on Debenture "A" Series since date of renewal offer letter in 1998 by following principles of prudence.

However, since the Restructuring Scheme proposed by One Man Committee has been approved Hon'ble Delhi High Court, the maturity interest amount is restricted to Rs 2.35 Crores which is scheduled to be shall be to be paid in Phase-2, although decision regarding payment of interest after maturity will be taken at a future date by Hon'ble Delhi Court.

- (g) **Status till 31-March-2017** - The Central Bank of India, Bombay, Trustees for the Non-Convertible Debentures B-Series have filed a suit for recovery of Rs. 442,178,385 on 14th October, 1999 before the Hon'ble Bombay High Court. It includes interest of Rs. 155,361,443 and Rs. 286,796,000 towards principal. No provision has been made in the books of accounts for such interest.

The Hon'ble Bombay High Court vide its interim order dated 24th December, 1999 has passed an order that all receipts from hypothecated assets shall be deposited with the trustees in a separate bank account except for amounts utilized as per orders of The Reserve Bank of India and the Company Law Board.

The suit filed by the Central Bank of India before the Hon'ble Bombay High Court has been stayed by Hon'ble High Court of Delhi vide order dated September 14th, 2005 on application made by the company and there is no change in the status as at 31st March, 2020.

However, some of the debentures holders have already been paid by the Central Bank of India. The amount which has been already been paid to the Debenture Holders by the Central Bank of India be paid to the Bank. The Central Bank of India has also claimed some amount in a suit filed before the Hon'ble Bombay High Court. No claim has however, been filed by the Central Bank of India before the One Man Committee despite opportunity granted to the Bank. While computing the amount payable in phases to other creditors, this amount claimed by the Bank will be not disbursed till the bank is able to establish its claim in the appropriate proceedings before the Court/One Man Committee.

(h) **DECISION OF ONE MAN COMMITTEE**

As per report of One Man Committee pursuant to order dated 3.9.2015 passed by Hon'ble Delhi Court as on 10th August, 2017, repayment of Debentureholders of "A" Series as well as "B" Series is to be made in two phases. In the first phase of scheme of repayment, debentureholders are to be paid 70% the balance principal amount. The Debentureholders having balance of Rs 5,000 or less will be paid their 100% principal amount in the First Phase. In the second phase maturity interest on debentures is to be paid along with remaining 30%. The schedule of payment to Debentureholders to settle debt will be as under :-

(i) **Amount due to Debenture-holders**

Particulars	Amount (In Cr.)
I. Principal Outstanding	25.53
II. Maturity Interest	2.35
Total	27.88

(ii) **Payment Schedule**

Particulars	(In Crores)	
	Phase-I	Phase-II
I. 70% of total principal amount	17.87	-
II. Less than Rs 5,000	1.69	-
III. 30% of total amount	-	5.97
IV. Maturity Interest	-	2.35
Total	19.56	8.32

(i) **Statement on Reconciliation of Debentures:**

Principal Outstanding as per the Scheme of One Man Committee	255,285,689
Less: Redemption made during the year with the approval of High Court of Delhi	264,845
Balance as on 1st April 2017	255,020,844

Balance as on 31st March 2020	184,867,923

Total Debt was scheduled to be paid in Two phases. First phase of debt settlement as per Report of One Committee pursuant to order dated 3.9.2015 has already commenced in the FY 17-18 and payments to debentureholders amounting of Rs.7,01,52,921 has already been made till March 31, 2020. Remaining debt includes balance 30% and unclaimed original principal amount invested of Rs 5000 or less. Since KYC norms are still under process and payments are to be made in coming periods, the entire debt balance of Rs 18,48,67,923 is shown as Other Current Financial Liability.

The One Man committee earlier recommended to pay to the creditors 70% of the principal amount. The above said arrangement was modified by the committee on 18th May 2019 and accordingly it has been decided to pay creditors who have claimed amount as per procedure set by the committee and whose documents have been verified. As per the claims made by the creditors 100% of principal being paid to them and balance 30% to creditors whom 70% has already been paid has also been started by the company. The balance payable to creditors is as per books and who have not claimed so far or their documents are under verification.

17.2 SIDBI

(a) **Status till 31-March-2017** - SIDBI has filed a petition for winding up on alleged non-payment of Rs. 5,440,000 which consist of interest, overdue interest and other charges, before the Hon'ble Delhi High Court. Provision for such liability on account of interest, overdue interest, and other charges claimed and claimable by SIDBI has not been ascertained and provided for due to waiver of interest sought under the "Fresh Restructuring Scheme". Consequently no provision of Rs. 1,810,059 towards overdue int & other charges has been made by the company in the books of accounts.

(b) Hypothecation / charge on assets financed out of the said loan.

(c) The value of the assets charged in favor of institutions have been depleted over a period of time and the depletion has not been ascertained. To the extent of the shortfall, if any, the liability is unsecured.

(d) DECISION OF ONE MAN COMMITTEE

As per report of One Man Committee pursuant to order dated 3.9.2015 accepted by Hon'ble Delhi Court as on 10th August, 2017, the debt settlement for amount due to SIDBI will be as follows :-

- (a) STATUS AS AT -31-MARCH-2017** - In respect of repayment of outstanding deposits with interest vide order dated 17.07.98, the Company Law Board had ordered payment of interest at contracted rates up to the date of maturity and at 10% thereafter. Due to liquidity problems, the company has not fully followed the schedule of repayment ordered by the Company Law Board. However, a Fresh Restructuring Scheme of arrangement for re-organization of the share capital of the company and for compromise with its creditors including fixed depositors filed with Hon'ble Delhi High Court in 2004 does not envisage payment of interest accordingly provision of interest payable amounting to Rs. 82,706,000 recorded earlier has been written back in earlier years.

STATUS AS AT -31-MARCH-2017 - Provision for interest on fixed deposits up to March 31, 2017 calculated at simple interest @ 10% p.a. in accordance with the order of The Hon'ble Company Law Board amounting to approx. Rs. 1,158,866,417 (including Rs. 1,102,721,307 for the earlier years) has not been made, in view of the "Fresh Restructuring Scheme" pending before the Hon'ble Delhi High Court wherein the company does not envisage payment of any interest. To the extent of non-provision of interest @10% as per the previous CLB order, the cumulative interest of Rs.1,147,419,074 were not provided for. The difference between the contracted rate of interest and rate of interest @ 10% has also not been ascertained and provided for.

- (b)** Liability on account of Fixed Deposits received contain certain deposits which appear prima-facie to be suspect due to either lack of identification of depositors or no claim or confirmation having been received by the company. Payment of those deposits that are under a suspicious category will be made under the scheme of One Man Committee only after the evidence of receipt of money is established.

(c) DECISION OF ONE MAN COMMITTEE

As per Report of One Man Committee pursuant to order dated 3.9.2015 passed by Hon'ble Delhi Court as on 10th August, 2017, repayment to Fixed Depositors is to be made in two phases. In the first phase of scheme of repayment are to be paid 70% the balance principal amount. The Depositors having balance of Rs 5000 or less will be paid their 100% principal amount in the first phase. In the second phase maturity interest is to be paid along with remaining 30%. In the circumstances the debt settlement will be as follows:

i) Amount due to Fixed Depositors as at 31-Dec-2015

Particulars	Amount (In Cr)
I. Principal Outstanding	56.31
II. Maturity Interest	14.48
Total	70.79

(ii) Payment Schedule

Amount (In Cr)

Particulars	Phase-I	Phase-II
I. 70% of total principal amount	36.15	-
II. Less than Rs 5,000	4.67	-
III. 30% of total amount	-	15.59
IV. Maturity Interest	-	14.48
Total	40.82	30.07

(d) Statement on Reconciliation of FDs Accepted:

Particulars	Amount in Rs
Balance as on 1st April 2018	544,992,529
Less: Redemption made during the year with the approval of High Court of Delhi	21,245,671
Balance as on 31st March 2019	523,746,858
Less: Redemption made during the year as per the scheme of one man committee	32,980,662
Balance as on 31st March 2020	490,766,196

However, since the Fresh Restructuring Scheme has been approved by One Man Committee, the maturity interest amount is decided to be 14.48 Crores payable in II Phase. Although the same is not recorded in Books of Accounts. Also the decision regarding payment of interest after maturity will be taken at a future date by Hon'ble Delhi Court.

Total Debt was scheduled to be paid in Two phases. First phase of debt settlement as per Report of One Committee pursuant to order dated 3.9.2015 has already begun in the FY 17-18 and payments to depositors of Rs.3,91,56,922 has already made till 31st March 2019. During the financial year 2019-20 further payment to depositors to the tune of Rs. 3,29,80,662/- has been made. Remaining debt includes balance 30% and unclaimed original principal amount invested of Rs 5000 or less. Since KYC norms are still under process and payments are to be made in coming periods, the entire debt balance of Rs 49,07,16,196 is shown as Other Current Financial Liability.

The One Man committee earlier recommended to pay to the creditors 70% of the principal amount. The above said arrangement was modified by the committee on 18th May 2019 and accordingly it has been decided to pay creditors who have claimed amount as per procedure set by the committee and whose documents have been verified. As per the claims made by the creditors 100% of principal being paid to them and balance 30% to creditors whom 70% has already been paid has also started by the company. The balance payable to creditors is as per books and who have not claimed so far or their documents are under verification.

17.5 INTER CORPORATE DEPOSITS

- (a) **Status as at 31-March-2017-** The value of inter corporate deposits is Rs 27,16,607. Considering the the order of The Hon'ble Company Law Board for Fixed Deposits which states to charge interest @10% p.a. which should also be considered for Inter Corporate Deposits on prudence basis. Considering the interest rate of 10% p.a. the total interest liability comes to be approximately Rs. 5,433,213 which includes approximately Rs. 5,161,553 for the earlier years, has not been made in view of the "Fresh Restructuring Scheme" pending before the Hon'ble High Court of Delhi wherein the company does not envisage payment of any interest. The interest is not provided in the books of accounts

(b) **DECISION OF ONE MAN COMMITTEE**

ICD Lenders will be paid principal due to them as on 30th June 2004. Interest dues are waived and cancelled. The payment of principal to the ICD lenders will be made as follows:

(i) **Amount due to ICD Lenders as at 31-Dec-2015**

Particulars	Amount (In Lacs)
I. Principal Outstanding	27.17
II. Maturity Interest	-
Total	27.17

(ii) Payment Schedule

Amount (In Cr)

Particulars	Phase-I	Phase-II
I. 70% of total principal amount	19.02	-
II. Less than Rs 5,000	-	-
III. 30% of total amount	-	8.15
Total	19.02	8.15

However, after approval of Scheme of One Man Committee, the settlement has been decided at Rs 27.17 Lacs. Interest Dues are waived and cancelled.

No payment has been made till date to ICD Lenders. However, scheme has been already approved, so the amount is to be paid in coming periods as per Phase-1 and Phase-2. Hence, the amount of ICD is classified as Other Current Financial Liability.

- 17.6 During the year 1999, the company had received Rs. 10,000,000 from one of its debtors i.e. Pure Drinks New Delhi Ltd. where the winding up petition proceedings was already initiated. Upon receipt of payment, the Company reduced the recoverable amount accordingly. Subsequently, the Hon'ble Punjab and Haryana Court deemed that payment is out of turn/preferential payment made by Pure Drinks New Delhi Ltd where winding up petition proceedings was already initiated and asked the company to deposit back the said amount with Hon'ble Punjab and Haryana Court. The company had filed a SLP with the Hon'ble Supreme Court of India which has been dismissed by them. Therefore the company is liable to deposit the amount mentioned above which is yet to be deposited.

25) Significant Accounting Policies**A. Statement of Compliance with Ind AS**

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013. The Company adopted Ind AS from 1st April, 2018.

Up to the year ended 31st March, 2017, the Company prepared its financial statements in accordance with the requirements of previous Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006.

B. Basis of Preparation

The financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the following fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 – Share-based Payment, leasing transactions that are within the scope of Ind AS 116 – Leases, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in IndAS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets.

All the amounts included in the financial statements are reported in Indian Rupees ('Rupees' or 'Rs.'), except per share data and unless stated otherwise and rounded off to nearest Rupees.

C. Basis of classification of Current and Non-Current

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Expected to be realized within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

D. Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

E. Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period; they are recognized in the period of the revision and future periods if the revision affects both current and future periods.

F. Property, Plant and Equipment – Tangible Assets

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognized as at 1st April, 2016 measured as per the previous GAAP.

Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include applicable borrowing costs for qualifying assets, if any. All up-gradation/enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight-line basis. Land is not depreciated.

The estimated useful lives of property, plant and equipment of the Company are as follows:

Asset	Life of Asset
Buildings	30 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Office Equipment	5 Years
Plant & Machinery	15 years

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Property, plant and equipment's residual values and useful lives are reviewed at each Balance Sheet date and changes, if any, are treated as changes in accounting estimate.

G. Impairment of Assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets or cash generating units exceed their recoverable amount.

Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

H. Financial Assets

Recognition: Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognized at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification: Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

Financial assets are classified as those measured at:

- a) **Amortised cost**, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- b) **Fair value through other comprehensive income (FVTOCI)**, where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- c) **Fair value through profit or loss (FVTPL)**, where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with

unrealized gains and losses arising from changes in the fair value being recognized in the Statement of Profit and Loss in the period in which they arise. Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc. are classified for measurement at amortized cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

Impairment: The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortized cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

Reclassification: When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortized cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognized gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

De-recognition: Financial assets are de-recognized when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership.

Concomitantly, if the asset is one that is measured at:

- a) Amortized cost, the gain or loss is recognized in the Statement of Profit and Loss;
- b) Fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Income Recognition: Interest income is recognized in the Statement of Profit and Loss using the effective interest method. Dividend income is recognized in the Statement of Profit and Loss when the right to receive dividend is established.

I. Financial Liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption/ settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

Financial liabilities are de-recognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

J. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

K. Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

L. Equity Instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

M. Revenue

Revenue from the sale of goods is recognised when all the following conditions are satisfied:

- Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
 - Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
 - The amount of revenue can be measured reliably;
 - It is probable that the economic benefits associated with the transaction will flow to the Company; and
- a) **Interest income:** Income from a financial asset is recognised when it is probable that the economic benefits will flow to Company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the interest rate as applicable.
 - b) **Dividend income:** dividend is recognised when the right to receive the payment is established (generally on shareholder's approval by the reporting date).
 - c) **Other revenues:** are recognised on accrual basis, except where there are uncertainties in realisation / determination of income and in such case income is recognised on realisation / certainty.

N. Employee Benefits

a) Retirement benefit costs and termination benefits :

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Contribution towards Provident Fund is paid as per the statutory provisions. These benefits are charged to the Statement of profit and loss of the year when they become due. For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to the statement of profit and loss. Past service cost is recognised in the statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement.

b) Short-term and other long-term employee benefits:

A liability is recognised for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Leave availment / encashment benefit is provided as per Company Scheme. Employee's are entitled to accumulate leaves subject to certain limit as per Company scheme. Liabilities for compensated absence that are not expected to be settled wholly within 12 months after the end of the period in which the employees rendered the related service, are measured at the present value of expected future payment to be made in respect of service provided by employees up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of reporting period. Re-measurement as a result of experience adjustments and change in actuarial assumptions are recognised in the statement of profit and loss. The liability is determined through actuarial valuation using projected unit credit method.

O. Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset/s and the arrangement conveys a right to use the asset/s, even if that right is not explicitly specified in an arrangement.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

P. Taxes on Income

Income tax expense represents the sum of the tax currently payable and deferred taxation.

a) Current Tax

Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

b) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity respectively.

c) Minimum Alternate Tax

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Group. Current and deferred

tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Q. Claims

Claims against the Company not acknowledged as debts are disclosed after a careful evaluation of the facts and legal aspects of the matter involved.

R. Provisions

Provisions are recognised when, as a result of a past event, the Company has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is a best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

S. Operating Segment

The Company is engaged in a single segment i.e. Financing Operations viz., inter corporate deposits and investments. Presently Company is not carrying on any operation except realizing all debts or maintaining existing assets. The operating results are regularly reviewed and performance is assessed by its Chief Operating Decision Maker (CODM). All the company's resources are dedicated to this single segment and all the discrete financial information is available for this segment.

T. Earnings per share

Basic earnings per share is calculated by dividing profit or loss attributable to the owners of the company by weighted average number of equity shares outstanding during the financial year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, share split and any new equity issue. For the purpose of calculating diluted earnings per share, profit or loss attributable to the owners of the Company and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

U. Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood on outflow of resources is remote, no provision or disclosure is made.

V. Financial and Management Information Systems

The Company's Accounting System is designed to unify the Financial Records and also to comply with the relevant provisions of the Companies Act, 2013, to provide financial and cost information appropriate to the businesses and facilitate Internal Control.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Additional Notes to Accounts**26) RESTRUCTURING SCHEME****Preamble**

The management for a structured debt repayment had prepared two schemes of arrangement for reorganization of share capital of the company and for compromise with its secured and unsecured creditors. Both the schemes of arrangement envisage a viable, just & equitable settlement with its secured and unsecured creditors while simultaneously increasing the risk and stake of the promoters and their shareholding through fresh infusion of funds by the promoter company.

The company moved an application before the Hon'ble Company Law Board, New Delhi on 22nd July 2004 under Regulation 44 of the Company Law Regulations, 1991 proposing a fresh repayment schedule to fixed depositors of the Company. The same repayment schedule included in the "**Fresh Restructuring Scheme**" filed before the Hon'ble High Court of Delhi at New Delhi on 24th September 2004.

The implementation of the schemes is subject to the fulfillment of all the conditions of erstwhile section 391 to section 394 of the Companies Act, 1956 and approval/orders of the Hon'ble Delhi High Court. The Hon'ble Delhi High Court did not approve the company's first scheme filed in May 2000, though approved by the secured and unsecured creditors in their respective meetings convened pursuant to the orders of the Hon'ble Court, yet the Hon'ble Court did not accord sanction to the scheme on technical grounds. An application for review had been filed before the Hon'ble Delhi High Court on 30th May 2003, which is not yet to be listed for hearing and which is hereinafter, wherever applicable, referred to as the "**Old scheme under review**". The company intends not to pursue the review application filed for the old scheme under review before the Hon'ble Delhi High Court and it is proposed to be withdrawn at an appropriate stage of the proceedings for the sanction of the "**Fresh Restructuring Scheme**".

The company filed a fresh Scheme of Arrangement for the reorganization of the share capital of the company and for compromise with the secured and unsecured creditors of the company, hereinafter referred to as the "**Fresh Restructuring Scheme**" before the Hon'ble Delhi High Court at New Delhi on 24th September 2004.

Pursuant to the orders of the Hon'ble Delhi High Court, the unsecured creditors and debenture holders in their meeting convened under the Chairpersonship of court appointed Chairpersons (retired Judges of Hon'ble Delhi High Court) on 1st April 2005 and 2nd April, 2005 have approved the scheme without any modifications with the requisite majority. The meeting of the other secured creditors (banks/ institutions) was held on 17th September 2005 and has also approved the scheme by the requisite majority after considering some modifications proposed by the Punjab & Sind Bank.

The promoter company has undertaken, subject to sanction of the scheme by the Hon'ble Delhi High Court, to contribute to Rs. 195,000,000 of which Rs. 156,000,000 were deposited with the Registrar of the Hon'ble Delhi High Court Registrar, as per court order by the promoter group, and the balance amount of Rs 39,000,000 had been deposited with the Registrar of the Hon'ble Delhi High Court Registrar on 27th April, 2012.

The restructured debts of the company for each category of debt is on the basis of outstanding as envisaged in the fresh restructuring scheme filed in the year 2004 excluding interest not provided for and all liquidated damages/penal charges and interest on unpaid interest. The "**Fresh Scheme of Arrangement**" is drawn on the basis of acceptance of waiver of payment of past and future interest, penal charges, liquidated damages, and any other charges, costs and claims etc. except as provided and for values contained therein which is subject to the approval of the Hon'ble Delhi High Court.

Over the years and till 31st March, 2017, the accounts of the company have been drawn on the assumption that the "**fresh restructuring scheme**" will be accepted and implemented. If it is not accepted and cannot be implemented for any reason the total liability before the proposed restructuring scheme including those for which no provision has been made and has been quantified under appropriate heads, shall become payable.

Developments during the financial year ended 31st March 2020

Justice Anil Kumar as one man committee was appointed vide order dated:- 3rd September, 2015 by the Hon'ble High Court of Delhi to scrutinize the list of depositors and other claimants and to take steps enumerated hereinafter with the view to resolve at-least some of the disputes. The Hon'ble High Court of Delhi entrusted the following functions to said One Man Committee :-

- (i) To scrutinize and finalize the list of depositors/ claimants so as to assess the genuineness of the depositors and their claim and to weed out any duplicate) benami, fictitious and doubtful claims.
- (ii) To categorize the claimants/ depositors into groups, on the basis of various parameters. For instance, depositors could be segregated into (a) individuals (b) corporate (c) institutions (Banks and Finance Companies), etc. Similarly, very small depositors wherein, the amount due is only upto Rs. 5,000 could be segregated as a separate category.
- (iii) At the same time it would also be open to the Central Bank of India which was constituted a debenture trustee by the company, to put up any claims that they may have before the said committee.
- (iv) To take stock of the entire assets of the company, whether in the form of fixed assets or bank accounts and fixed deposits, etc.
- (v) To assess the value of the fixed assets of the company and for the purpose, If need be, take the help of a professional valuer. Also, to get from the company its brief statement of accounts which shall include all income and expenditures, so as to enable a proper review of the assets and liabilities of the company.
- (vi) To suggest modalities for the disposal of fixed assets, so that the money realized could be used for disbursement of principal amounts as well as interest (over the delayed period), if possible, amongst the depositors.
- (vii) To make suggestions on the modalities of payment, which would obviously depend upon the amounts finally realized after disposing off/ liquefying all assets of the company.

The one man committee submitted its report on to Hon'ble High Court of Delhi on 22nd April, 2016. Taking cognizance of the report, Hon'ble High Court of Delhi on 10th August, 2017 accepted the recommendation of one man committee enumerated in the report. Hon'ble High Court of Delhi also noted that none of the parties had any objection on the implementation of the report. The task of implementing the report was also assigned to Justice Anil Kumar. Hon'ble High Court of Delhi held that the issue of revival of the company will be decided once all payments are made in the manner as suggested in the report. The report of one committee has laid the schedule of payments to parties covered under the scheme as under :-

- (i) Before starting repayment of amount, the genuineness of the all the depositors and their claims shall be assessed to weed out any benami, fictitious and doubtful claims. Notices to all the depositors/ claimants shall be sent and consideration of their pleas and contentions will be necessary. From the data it has also been observed that some of the individuals and companies have invested sums by depositing multiple small amounts. Committee observed that that it already has sufficient funds, ready cash, to repay about 70% of the deposits to all the depositors having deposits of more than Rs 5,000 including secured creditors in the first stage. It is recommended in the circumstances that 70% a part of the amount be paid to the creditors having deposits of more than 5,000 and full amount be paid to those who have deposits of Rs. 5,000 or less than Rs.5,000 in the first instance.
- (ii) In order to realise the maximum value of the immovable asset of the Company, the premises/property in the building of NBCC, it is the recommendation of the committee that the same be sold by the auction by the Hon'ble Company Court. The company has estimated its value around Rs.41 Cr., whereas the creditors are of the view that its value will not be less than Rs 80 crores. It has been noticed that the disputes are pending between NBCC and the Petitioner Company with regard to the said property which is pending adjudication before Shri S.K. Kaul, Sole Arbitrator appointed by NBCC in terms of Agreement dated 9th Dec, 1995 and is now fixed for final arguments. The claim of NBCC is for an amount of Rs.2.88 Cr. It is also noticed that such other and several disputes are pending with regard to this NBCC property, which make it unfeasible for anyone to sell it easily or to get a realistic value of the property on the basis of valuation report and then to decide on such valuation as to how much total amount is to be paid to the creditors. Valuation of such a property will also be more of distress sale value and will not be realistic. In the circumstances an efficacious way will be to pay a part of the amount from the liquid assets available with the company and in the meantime also to sell the fixed assets of the Company by auction by the Hon'ble Company Court. This will result in a part payment to all the genuine creditors and to realize the actual value of the immoveable assets of the Company. This will also facilitate the Hon'ble Company Court to determine whether

some interest should be paid to the creditors considering all the other factors including that the endeavour is not to wind up the Company but to revive the Company if sufficient surplus is available with the Company after selling all its immovable assets. Therefore, it is recommended that the immovable and fixed assets of the company be sold by auction by Hon'ble Company Court in the manner adopting the modalities which are followed while selling the fixed assets and the immovable properties of the companies which are under liquidation with the help from Official Liquidator or a Consultant, though the sale of the properties is not for the purpose of winding up the Petitioner Company.

(iii) Tentative realizable value of the following assets of the Company will be :-

PUNJAB & SIND BANK (PSB)**Background**

The Punjab and Sind Bank had filed recovery proceedings in the year 2000 before the Debt Recovery Tribunal for Rs.12.17 Cr. comprising of Rs.8.50 Cr. as ledger balance and Rs.3.76 Cr. as Memo Interest. In the year 2000. Company in order to redress the repayment issues, propounded a scheme and in the scheme of rearrangement with its creditors proposed to pay Rs 9.51Cr to the Bank and the Bank voted in favour of scheme and the suit in DRT has been stayed by the High Court and the Bank agreed to receive Rs. 9.51 crores. This amount was agreed after protracted discussions/ negotiations with PSB, and it has been agreed that amount payable as on Sept,1997 will be taken as principal and interest from Sept 1997 to March, 2000 will be added @ 10% quarterly compounded. Thus the amount payable became Rs 9.51 Cr. It was admitted and justified by the said bank that this settlement was as per RBI guidelines. Reliance for this can be placed on an internal note dated 12th Sept, 2000 of the bank and a letter dated 20th Oct,2000 from the counsel of PSB. As per terms of settlement Rs 50.00 Lacs were paid to PSB in the year 2000. Though the part payment has been made to the Bank pursuant to settlement and scheme, however, due to modifications made in scheme for, PSB by Company in the creditors meeting. The scheme was, will be paid in 6 equal yearly installments of one year after the approval of the said scheme or 1st April, 2006 which ever will be earlier and

balance 40% by equity shares at any time within three years of the effective date or 1.4.2006. The shares were to be allotted on preferential allotment basis as per the rate approved by SEBI under its guidelines. The sale price of the share was protected to the extent of Rs.375 lacs by issuing fresh additional equity, if required. The bank was paid Rs. 90 lacs in the year 2005-06, but further amount could not be paid on account of order dated 6th March, 2006 "of the Hon'ble Court. The Bank received the amounts partly under the settlement and could not withdraw from the scheme without refunding the amounts received by it, yet in 2012 it filed an application for intervention/ objection to the scheme which has not been allowed. In the circumstances the amount payable to the bank has been taken as settled with the Bank and 70% of the said amount be paid forthwith in the first phase and balance in the second phase which is substantially better as earlier only Rs.60 lakhs was payable in six years and equity shares were to be issued for the balance amount. Under the previous proposal which has been accepted by the Bank, the amount was payable in installments and part of the amount by converting the amount in equity shares **whereas under present recommendation 70% of the amount is payable forthwith and balance' amount in second phase after liquefying all the assets of the Company which will be probably within two years.**

In the scheme, the amount payable to Punjab & Sind Bank has been quantified at Rs. 9.0180 Cr as on 30th June 2004. This figure has been arrived at after compounding the interest payable on the principal amount due as on 30th September 1997, at the rate of 10% compounded quarterly till 31st March 2000, after allowing credit for actual amount paid till date. (Present Value of amount payable after all adjustments the payable amount is Rs 8.034 Cr) The settlement made with the Bank in the scheme earlier has been considered as the base. Accordingly, keeping in line with the above settlement and OTS guidelines of RBI, the following payments is recommended to be made to PSB:

(A) Amount due to PSB as decided one man committee as at 31st December, 2015

S.N.	Particulars	Amount in Cr
I	Principal Outstanding	Rs 8.03 Cr
II	Interest	--
	TOTAL	Rs 8.03 Cr.

(B) Payment Schedule (Rs. in Cr.)

Payment to PSB are being made as per the recommendation of One Man Committee during the Financial Year 2017-18 and 2019-20 refer note 17.3 for details regarding repayments made to PSB.

INDUSIND BANK

In the scheme, the total principal amount payable to IndusInd Bank has been quantified at Rs 6.515 Lacs as on 30th June 2004. This figure has been arrived at after calculating interest upto 31st March 2000 @12% p.a. compounded quarterly on the principal amount of L/C devolvement, after allowing credits for actual amounts paid till date and credit for margin money amounting to Rs. 35.99 Lacs, and excludes penal interest/ additional interest/ overdue charges, if any, debited by the Bank. (Present outstanding after all adjustments is Rs 5.77Cr) The settlement made with the Bank in the earlier scheme has been considered as the base. The total amount payable under the scheme to IndusInd Bank so quantified shall be repaid in line with the above settlement and RBI guidelines of OTS is as under:

(A) Amount due to INDUSIND Bank as decided by one man committee as at 31st December, 2015

- (e) Pursuant to sub-section 5 of section 203 Companies Act, 2013 read with Rule 8 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, every listed company is required to appoint a Whole Time Company Secretary, non-compliance of which the company shall be punishable with fine which shall not be less than one lakh rupees but which may extend to five lakh rupees. However during the year

ended March 31st, 2017, the Company was in contravention of the aforesaid provision. As explained to us, the management has made various attempts to appoint a Whole Time Company Secretary, however was unable to appoint Whole Time Company Secretary in the absence of suitable candidate. The Company has made relevant disclosures in the Board of Directors meeting regarding this issue.

However during the year ended March 31st, 2018, the Company has appointed Whole Time Company Secretary with effect from 22nd April, 2017.

Regarding non appointment of Whole Time Company Secretary till 22nd April, 2017, it is non-compliance of Section 203 of Companies Act, 2013, which could attract penalties. Presently it is not feasible to determine the financial impact on the financial.

- (f) Pursuant to section 149 of Companies Act, 2013 read with rule 3 of Companies (Appointment and Qualification of Directors) Rules, 2014 every listed company is required to appoint at least one Woman Director. During the year ended March 31st, 2016, the Company was in contravention of the aforesaid provision as no woman director has been appointed. It is non-compliance of Section 149 of Companies Act, 2013. Presently Section 149(1) of the Companies Act, 2013 is silent on the component of penalty. SEBI guidelines prescribed penalties for the non-compliance which are Rs. 50,000 from 1-April-2015 to 30th June, 2015 and thereafter Rs. 1,000 per day for next 01-July-2015 to 30-Sep-2015 and thereafter from 01-Oct-2015 onwards Rs. 5,000 per day. With effect from 6-October 2016, woman director has been appointed by the Company. Total estimated penalty/fine comes to Rs. 16.85 Lacs (P.Y RS.16.85 Lacs) till date of appointment of women director (i.e. 5th October, 2016). No provision of Rs 16.85 Lacs has made in the books of accounts. Had provision been provided for in the financial statements, the net profit before tax for the year ended 31st March, 2018 would have been lower by Rs 16.85 Lacs and net profit after tax would have been lowered by Rs. 13.40 Lacs. The cumulative net loss as well as Current/Non- Current Liability/Provisions as at 31st March, 2020 would have been higher by Rs. 13.40 Lacs.

B) Commitments

There are no non-cancellable capital commitments.

29) Defined Benefit Plans/Long Term Compensated Absences :-

Description of Plans

The Company makes contributions to Defined Benefit and Defined Contribution Plans for qualifying employees. Gratuity Benefits and Leave Encashment Benefits are unfunded in nature. The Defined Benefit Plans are based on employees' length of service.

The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method at the year end. The Company makes regular contributions to these Employee Benefit Plans. The net Defined benefit cost is recognized by the companies in Financial Statements.

Discount Rate: The present value of Defined Benefit Plans liability is determined using the discount rate based on the market yields prevailing at the end of reporting period on Government bonds. A decrease in yields will increase the fund liabilities and vice-versa.

The estimated term of the benefit obligations works out to 10.87 years. For the current valuation a discount rate of 7.63% p.a. compound has been used.

Salary Escalation Rate: The Salary Escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again, a long term view as to the trend in salary escalation rates has to be taken rather than guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

Withdrawals Rate: Past experience indicates the current level of attrition. The assumption may incorporate the Company's policy towards retention of employees, historical data and industry outlook.

Mortality Rate: We have used Indian Assured Lives Mortality Table (IALM) 2006-08, as issued by Institute of Actuaries of India, for the valuation.

The following table summarize the components of net benefit expenses recognized in the statement of Profit & loss and the funded status and the amount recognized in Balance Sheet during 2019-20.

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined on the basis of net asset value as per last available audited financial statements.

Level 3: If one or more of the significant inputs is not based on observable market data, the fair value is determined using discounted cash flow method with the most significant inputs being the discount rate that reflects the credit risk of the counter-party.

35) Capital Management

The Company's objective for managing capital is to ensure as under:

- To ensure the company's ability to continue as a going concern.
- Maintaining a strong credit rating and healthy debt equity ratio in order to support business and maximize the shareholders' value.
- Maintain an optimal capital structure.
- Compliance financial covenants under the borrowing facilities.

For the purpose of capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the Company.

The Company manages its capital structure keeping in view of:

- a) Compliance of financial covenants of borrowing facilities.
- b) Changes in economic conditions.

In order to achieve this overall objective of capital management, amongst other things, the Company aims to ensure that it meets financial covenants as decided by One Man Committee and Delhi High Court. One Man Committee has given few recommendations for payments to its creditors which has been accepted by Hon'ble Delhi High Court.

There has been no breach in the financial covenants of any borrowing facilities in the current period. There is no change in the objectives, policies or processes for managing capital over previous year.

36) Going Concern Basis

The company filed a fresh Scheme of Arrangement for the reorganization of the share capital of the company and for compromise with the secured and unsecured creditors of the company, hereinafter referred to as the "Fresh Restructuring Scheme" before the Hon'ble Delhi High Court at New Delhi on 24th September 2004.

Pursuant to the orders of the Hon'ble Delhi High Court, the unsecured creditors and debenture holders in their meeting convened under the Chairpersonship of court appointed Chairpersons (retired Judges of Hon'ble Delhi High Court) on 1st April 2005 and 2nd April, 2005 have approved the scheme without any modifications with the requisite majority. The meeting of the other secured creditors (banks/ institutions) was held on 17th September 2005 and has also approved the scheme by the requisite majority after considering some modifications proposed by the Punjab & Sind Bank. The promoter company has undertaken, subject to sanction of the scheme by the Hon'ble Delhi High Court, contributed Rs. 195,000,000 of which Rs. 156,000,000 were deposited with the Registrar of the Hon'ble Delhi High Court Registrar, as per court order by the promoter group, and the balance amount of Rs 39,000,000 had been deposited on 27th April, 2012. The Fresh Restructuring Scheme kept pending for approval of Hon'ble High Court of Delhi. Over the years and till 31st March, 2017, the accounts of the company have been drawn on the assumption that the "fresh restructuring scheme" will be accepted and implemented. If it is not accepted and cannot be implemented for any reason the total liability before the proposed restructuring scheme including those for which no provision has been made and has been quantified under appropriate heads, shall become payable.

Justice Anil Kumar as one man committee was appointed vide order dated:- 3rd September, 2015 by the Hon'ble High Court of Delhi to scrutinize the list of depositors and other claimants and to take steps enumerated hereinafter with the view to resolve at-least some of the disputes.

The one man committee submitted its report on to Hon'ble High Court of Delhi on 22nd April, 2016. Taking cognizance of the report, Hon'ble High Court of Delhi on 10th August, 2017 accepted the recommendation of one man committee enumerated in the report. One Man Committee observed that that it already has sufficient funds, ready cash, to repay about 70% of the deposits to all the depositors having deposits of more than Rs 5,000 including secured creditors in the first stage. Under Phase -1, 70% a part of the amount be paid to the creditors having deposits of more than 5,000 and full amount be paid to those who have deposits of Rs. or less than Rs.5,000 in the first instance. In the second phase, which should also commence. with phase 1 simultaneously, properties and shares and all the assets be liquidated by selling and the realized amount is recommended to be utilized for the repayment of balance 30% of principal and the maturity value on the fixed deposits, debentures and banks. If the amount is still available to the Company, the Hon'ble Company Court may decide whether some amount - be paid as interest as has also been recommended by the Reserve Bank of India. During the year ended 31st March, 2018, Company started paying the amount as per Phase-I and Phase-I is still in continuation for the financial year ending 31st March 2019 and 31st March 2020, However, company has simultaneously started making payment under phase- II of balance 30% to those who have claimed the same. During the year 2019-20 company has started making payment of 100% to those creditors who are claiming it. Hon'ble High Court of Delhi held that the issue of revival of the company will be decided once all payments are made in the manner as suggested in the report. The accounts of the company have been prepared on a "going concern" basis on an assumption & premises made by the management that:-

- (a) Company incurred a net loss of Rs. 32,08,547 during the year ended March 31, 2020 and, as of that date, the Company's current liabilities exceeded its total assets by Rs.413,831,396. The accumulated loss as on 31st March, 2020 stands to Rs. 85,73,95,457/-(Previous year Rs. 85,48,86,910/-). As on 31st March, 2020, the Company's total liabilities exceeded to its total assets by Rs. 43,51,73,731/- (Previous year Rs. 43,19,65,185/-).

- (b) The Company is not carrying on any business as to comply with the directives of the Reserve Bank of India the company ceased to accept deposits from September 1997 and the company's application to RBI for certificate of registration (CoR) as a NBFC had been rejected by the RBI in year 2004. The Company contends that the Scheme of One Man Committee shall be implemented in full and other aspect of fresh restructuring scheme such issuance of equity to SBI HOME FINANCE LTD and Pressman Leasing would be approved/decided upon by the Hon'ble Delhi High Court and accordingly the decision on revival of Company would be taken by Hon'ble Delhi High Court and
- (c) Adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis,
- 37) The Company's application to RBI for Certificate of Registration (CoR) as a NBFC had been rejected by the RBI in year 2004. The company had made an appeal to the Appellate Authority, Ministry of Finance which directed the RBI to keep its order of rejection of CoR in abeyance for a period of six months and directed the company to file Fresh Restructuring Scheme before Hon'ble Delhi High Court. RBI has preferred an appeal before the Hon'ble Delhi High Court against the order of the appellate authority, which is still pending. This may be decided upon once scheme of One Man Committee shall be implemented in full and other aspect of fresh restructuring scheme would be approved/decided upon by the Hon'ble Delhi High Court.
- 38) Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of which party wise details are not available. Balance confirmation of inter-corporate deposits, balance of ex-employees, margin against L/C, loans from institutions, banks, and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials and the amount referred as payable in the financials can differ.
- 39) **Segment information for the year ended 31st March 2020**
 The Company is engaged in a single segment i.e. Financing Operations viz., inter corporate deposits and investments. Presently Company is not carrying on any operation except realizing all debts or maintaining existing assets. The operating results are regularly reviewed and performance is assessed by its Chief Operating Decision Maker (CODM). All the company's resources are dedicated to this single segment and all the discrete financial information is available for this segment.
- 40) The COVID -19 pandemic is rapidly spreading throughout the world. The company is not doing any operations as there is order by the Hon'ble High Court and RBI to not to do any operations/ business. Accordingly, company is only paying back its creditors and Fixed Deposit Holders as per the recommendations of One Man Committee. The Company has resumed repayment to its creditors in a phased manner as per directives from the Government of India. The Company has evaluated impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial results as at 31st March 2020. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions.
- 41) Figures for the previous year are in brackets and have been re-grouped/re-classified wherever necessary to make them comparable with the figures of the current year.

Basis for Qualified Opinion

- (i) Justice Anil Kumar as one man committee was appointed vide order dated:- 3rd September, 2015 by the Hon'ble High Court of Delhi to scrutinize the list of depositors and other claimants and to take steps enumerated hereinafter with the view to resolve at-least some of the disputes. The one man committee submitted its report on to Hon'ble High Court of Delhi on 22nd April, 2016. Taking cognizance of the report, Hon'ble High Court of Delhi on 10th August, 2017 accepted the recommendation of one man committee enumerated in the report. Under Scheme of One Man Committee, Interest of Rs 235 Lacs are payable to Debenture Holders and Rs 1,448 Lacs are payable to Fixed Depositors under Phase-2 of Schedule of Payments laid down by One Man Committee. Presently the said committee has waived any further payment of Interest to Fixed Depositors, Debenture-holders and other lenders, however on complete liquidation of properties and investments, if any surplus remains after payment to all stakeholder creditors, then further payment of Interest would be decided. All stakeholders creditors which are covered under scheme has given its consent to the scheme. No provision of Rs. 1,683 Lacs as laid down under the the scheme towards Interest on Debentures and Fixed Deposits, have been provided in the consolidated financial statements on the outstanding amount of Debentures and Fixed Deposits.

Had interest of Rs. 1,683 Lacs been provided for in the consolidated financial statements of year ending 31st March 2018 on outstanding amount of Debentures and Fixed Deposits, the Net Profit before tax would have been lowered by Rs. 1,683 Lacs and Net Profit after tax would have been lowered by Rs. 1,340 Lacs as at 31st March, 2018. The cumulative net loss as well as Current Liabilities as at 31st March, 2020 would have been higher by Rs 1,340 Lacs. The same has been explained in **Note 17.1 and Note 17.4**

- (ii) For redemption of 'B' series debentures of Rs. 2014.98 Lacs debenture redemption reserve is required to be created. Debenture redemption reserve of Rs. 2014.98 Lacs has not been created due to insufficient profits. The same has been explained in **Note 17.1**.
- (iii) The value of assets charged as security in favor of banks, debenture-holders & financial institutions have been depleted over a period of time. The depletion has not yet been ascertained by the Company. To the extent of shortfall, if any, the liability is unsecured, whereas the same has been shown as secured. The same has been explained in **Note 17.1, 17.2 and 17.3**.

(iv) Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of which party wise details are not available. Balance confirmation of inter-corporate deposits, FD balances with Bank, interest on FD from banks, balance of ex-employees, margin against L/C, loans from institutions, banks, no dues certificate on payment of loans from bank and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials and the amount referred as payable in the financials can differ. Please refer **Note No-38**

(v) **Contingent liabilities and Other Commitments**

v(a) During the year ended 30th June, 2011 the company's tenant had filed a claim of Rs. 10,000,000 against the holding company due to damages suffered by the tenant which is still pending under arbitration proceedings as on 31st March, 2020.

v(b) There is a demand of Rs. 3,458,902 raised by Income Tax Department for the Assessment Year 2006-07 and Rs. 357,542 for the Assessment Year 2012-13 for payment of income tax under the Income Tax Act, 1961, which is disputed by the holding company and pending before the appropriate authorities as on 31st March 2020.

v(c) There is an award passed by the arbitrator against the holding company in the matter of MS Shoes East Limited on May 28, 2012 for Rs. 5,128,320 i.e. the claim amount, along with Rs. 30,680,848 towards interest cost for an underwriting given by the holding company in the year 1995 for the public issue of M/s MS Shoes East Ltd. Furthermore, an incidental cost which includes arbitration venue rent, record keeping cost, administrative cost and stamp paper charges amounting to Rs. 549,280, had been awarded to the holding company. The total financial impact comes to Rs. 36,358,448 which has been contested by Holding Company before Hon'ble Delhi High Court.

v(d) Due to dispute with the builder namely M/s NBCC Ltd. from which the holding company had purchased an office premises in the year 1995, regarding a claim of Rs. 28,829,634 on account of increase in super area and certain other expenditure which the builder i.e. M/s NBCC Ltd. had incurred and the same is pending in arbitration. Breakup of the amount of Rs. 28,829,634 mentioned supra is as follows:

S. No.	Description	Amount
1.	Difference in super area Vs. provisional area	22,928,254/-
2.	Claim of property tax	319,100/-
3.	Claim of ground rent	2,167,190/-
4.	Allied charges	782,210/-
5.	Augmentation of Electric sub station	132,880/-
6.	Loss of profit	2,000,000/-
7.	Arbitration cost	500,000/-
TOTAL		28,829,634/-

(vi) The subsidiary company namely, Global IT Options Limited has from 1st June 2014 to 31st March, 2018 incurred expenditure of Rs 22.84 Lacs for & on behalf of its Holding Company (i.e. DCM Financial Services Limited) and the same balance is outstanding as on 31st March 2019 also. It comes under the category of short term funding which is in-fact Inter-Corporate Deposit. In case of Inter-Corporate Deposit, Section 186 of Companies Act, 2013 stipulates to charge interest at a rate not less than the bank declared by Reserve Bank of India. No Interest has been provided on outstanding balance of Rs 22.84 Lacs by Company to its subsidiary - Global IT Options Limited with effect from 1-June-2014. It is a non-compliance of Section 186 of the Companies Act, 2013, which could attract penalties. We have discounted this liability considering the borrowing with interest @10% p.a. in FY 2015-16 considering that the same will be paid in FY 2019-20. However, the company has paid back the amount of Rs. 22.84 Lacs to its subsidiary in the FY 2019-20. Hence, the balance outstanding as on 31st March 2020 is NIL. This qualification pertains to subsidiary.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:-

- (i) We draw attention to Note 36 in the consolidated financial statements, which indicates that the Company incurred a net loss of Rs. 31,20,791 during the year ended March 31, 2020 and, as of that date, the Company's current liabilities exceeded its total assets by Rs. 41,15,46,356. The accumulated loss as on 31st March, 2020 stands to Rs. 85,54,17,842/- (Previous year Rs. 85,22,97,051/-). As on 31st March, 2020, the Company's total liabilities exceeded to its total assets by Rs. 43,28,88,691/- (Previous year Rs. 42,97,67,900/-).

As stated in Note 36, these events or conditions, along with other matters as set forth in Note 36 which are as under :-

The Holding Company is not carrying on any business as to comply with the directives of the Reserve Bank of India, the company ceased to accept deposits from September 1997 and the company's application to RBI for certificate of registration (CoR) as a NBFC had been rejected by the RBI in year 2004. The Company contends that the Scheme of One Man Committee shall be implemented in full and other aspect of fresh restructuring scheme such issuance of equity to SBI Home Finance Limited and Pressman Leasing, would be approved/decided upon by the Hon'ble Delhi High Court and accordingly the decision on revival of Company would be taken by Hon'ble Delhi High Court. This indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

- (ii) We draw attention to **Note 26** in the consolidated financial statements regarding successful implementation of scheme of One Man Committee on which continuity and revival of the Company is completely dependent which not only includes successful implementation of Schedule of payments described under Phase-I and Phase-II, but also realisability of funds from the disposal of Fixed Assets especially Building which is under dispute with Tenant as well as NBCC.
- (iii) We draw attention to **Note 32** in the consolidated financial statements on the deposit Rs. 195,000,000 with the Hon'ble Delhi High Court. DCM Services Ltd, as a promoter had committed to bring in Rs. 195,000,000 as a promoter contribution upon sanction of their restructuring scheme under erstwhile Section 391 of the Indian Companies Act, 1956 which is under implementation by One Man Committee appointed with the direction of Hon'ble Delhi High Court. The Court vide order dated 06.05.2008 has asked DCM Services Limited to deposit Rs. 195,000,000 with the Court and pursuant to the court order DCM Services Limited deposited Rs. 50,000,000 on 16.07.2010, Rs 67,000,000 on 18.11.2010, Rs. 39,000,000 on 21.04.2011 & Rs. 39,000,000 on 27.04.2012 aggregating to Rs. 195,000,000 on behalf of the promoters with the Registrar, Hon'ble Delhi High Court. All the funds are with Delhi High Court along-with accrued interest thereon. No financial impact of this has been recorded in the financials of the company till 31st March, 2020 as there is no clarity provided by Hon'ble High Court of Delhi on whether Company would have to issue any shares against such contribution as per SEBI guidelines or such amount would be refundable to DCM Services Limited by company or there would be no liability on the Company to either to pay the said amount or issue any shares in lieu of that. Till Company gets any clarity on this matter, no financial entry has been recorded in the books of accounts.

Other Matter

We draw attention to **Note 40** to the financial statements, regarding management's assessment of Covid-19 impact on the future performance of the company. Our report is not modified in respect of the matter.

Information Other than the consolidated financial statements and Auditor's Report Thereon

The Board of Directors of Group is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Director's Report, Report on Corporate Governance and General Shareholders Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the consolidated financial statements

The Board of Directors of Company is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Companies Act, 2013, we report that:
 - a. Except for the matters described in the Basis for Qualified Opinion and Key Audit Matters paragraph, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the matters described in the Basis for Qualified Opinion and Key Audit Matters paragraph, in our opinion proper books of account as required by law have been kept by so far as it appears from our examination of those books;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.;
 - d. Except for the matters described in the Basis for Qualified Opinion and Other Key Matters paragraph, in our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with rule 7of the Companies (Accounts) Rules,2014 ;
 - e. The matter described in the Basis for Qualified Opinion and Other Key Matters paragraph above, in our opinion, may have a qualified effect on the functioning of the Group.
 - f. On the basis of the representations received from the directors as on 31st March 2020 taken on the record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act..

- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 'A' ; and
- h. with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group has disclosed the impact of pending litigations on its financial position in its consolidated financial statements – Refer Note 28 to the consolidated financial statements;
 - ii. The Group has made necessary provision in its consolidated financial statements under the applicable law or Indian accounting standards, wherever required;
 - iii. The Company moved an application before the Hon'ble Company Law Board, New Delhi on 22nd July 2004 under Regulation 44 of the Company Law Regulations 1991 proposing a fresh repayment schedule for fixed depositors, debenture-holders and other creditors of the Company. The company filed a Fresh Scheme of Arrangement for the reorganization of the share capital of the company and for compromise with the secured and unsecured creditors of the company, hereinafter referred to as the "Fresh Restructuring Scheme" before the Hon'ble Delhi High Court on 24th September 2004 mentioning therein repayment schedule.

Justice Anil Kumar as one man committee was appointed vide order dated:- 3rd September, 2015 by the Hon'ble High Court of Delhi to scrutinize the list of depositors and other claimants and to take steps enumerated hereinafter with the view to resolve at-least some of the disputes. The one man committee submitted its report on to Hon'ble High Court of Delhi on 22nd April, 2016. Taking cognizance of the report, Hon'ble High Court of Delhi on 10th August, 2017 accepted the recommendation of one man committee enumerated in the report. One Man Committee observed that that it already has sufficient funds, ready cash, to repay about 70% of the deposits to all the depositors having deposits of more than Rs 5,000 including secured creditors in the first stage. Under Phase -1, 70% of the principal amount be paid to the creditors having deposits of more than 5,000 and full amount be paid to those who have deposits of Rs. or less than Rs.5,000 in the first instance to fixed depositors, Debenture-holders and banks. In the second phase, which should also commence with phase 1 simultaneously, properties and shares and all the assets be liquidated by selling and the realized amount is recommended to be utilized for the repayment of balance 30% of principal amount and the maturity interest component only on the fixed deposits and debentures. Other creditors such as banks, financial institutions, ICD Holders shall also be paid 30% of the Principal Amount except to SBI Home Finance Limited and Pressman Leasing which will be issued equity shares in Second Phase. Depending upon the availability of surplus amount from disposal of assets with the Company, the Hon'ble High Court of Delhi may decide whether some additional amount of interest can be paid to depositors or other creditors. During the year ended 31st March, 2018, During the year ended 31st March, 2018, Company started paying the amount as per Phase-I and the company is still in continuation of making payments as per Phase I for the year ended 31st March 2020. Also the company has started making payments as per Phase II simultaneously during the current financial year. The matter regarding payment to fixed depositors, debenture-holders and other sums are already covered under Phase-I and Phase-II schedule of payment decided by One Man Committee duly appointed by Hon'ble Delhi High Court.

The One Man committee earlier recommended to pay to the creditors 70% of the principal amount. The above said arrangement was modified by the committee on 18th May 2019 and accordingly it has been decided to pay creditors in full who have claimed amount as per procedure set by the committee and whose documents have been verified. As per the claims made by the creditors 100% of principal being paid to them. Also company has also started paying balance 30% to creditors to whom 70% has already been paid previously. The balance payable to creditors is as per books and who have not claimed so far or their documents are under verification.

All the unpaid matured Public Fixed Deposits of Rs 4907.66 Lacs Unpaid Matured Debentures of Rs. 1848.68 Lacs which was more than seven year old. Accordingly except the matter stated above, there has been no delay in transferring amounts or there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company. Refer Note No 17.1 and 17.4.

There is no outstanding amounts in Subsidiary Company which are required to be transferred to the Investor Education and Protection Fund.

Annexure 'A' to Independent Auditors' Report

Referred to in Paragraph 2 (f) under the heading of Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (The Act)

We have audited the internal financial controls over financial reporting of DCM FINANCIAL SERVICES LIMITED ("herein referred as the Company") and its subsidiary company as of March 31, 2020 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The management of Company and its subsidiary company is responsible for establishing and maintaining internal financial controls based on internal policies & procedures, accounting records and essential components on the internal control over financial reporting criteria established by the respective Company as per Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to the information and explanation given to us, the Company and its subsidiary has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2020.

We have considered the disclaimer reported above in determining the nature, volume of transactions, materiality, timing, and extent of audit test applied in our audit of the financial statement of the company and the disclaimer does not affect our opinion on the financial statements of the company.

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one subsidiary, is based on solely on the corresponding reports of the auditors of such company incorporated in India.

14.1 SBI HOME FINANCE LIMITED

- (a) **Status till 31-March-2017** and as on 31-March 2020 - The company has already paid Rs. 29,000,000 under the Old Scheme and proposes to allot shares worth Rs. 2,500,000 for the balance as per the Fresh Restructuring Scheme in the first year from the effective date (Effective date means the date of filing of the certified copy of the order sanctioning the scheme of the Hon'ble High Court of Delhi at New Delhi with the Registrar of Companies of Delhi & Haryana). SBIHF has removed a charge on its assets and therefore the loan is now categorized as unsecured loan.

The Company has to allot fully paid up shares of Rs. 25 Lacs of the Company at Rs. 30/- per share (share value Rs. 10/- plus premium Rs. 20/- per shares) or as per SEBI guidelines to SBI Home Finance Ltd. as per the Decree awarded by the Hon'ble High Court of Delhi at New Delhi, within two' years from the effective date of the scheme as per applicable SEBI guidelines.

(b) DECISION OF ONE MAN COMMITTEE

As per Report of One Man Committee pursuant to order dated 3.9.2015 passed by Hon'ble Delhi Court as on 10th August, 2017, the debt settlement will be as follows:

(i) Amount due to SBI Home Finance as at 31-Dec-2015

Particulars	Amount (In Lacs)
I. Principal Outstanding	25.00
II. Maturity Interest	-
Total	25.00

(ii) Payment Schedule by issuing in shares**(In Lacs)**

Particulars	Phase-I
To be discharged by issuance of Equity shares of the Company of the face value of Rs. 10/- at a premium of Rs. 20/- per share or as per applicable SEBI guidelines	25.00
The Company proposes to allot shares worth Rs. 25.00 Lacs to SBI Home Finance Ltd. as per the Decree awarded by the Hon'ble High Court of Delhi at New Delhi, within two' years from the effective date of the scheme as per applicable SEBI guidelines	
Total	25.00

Since, the number of shares to be allotted are not clear, presently the amount of Rs. 25 Lacs is shown in Liabilities and not under other equity. The same shall be reclassified depending upon whether Company has to issue variable number of equity shares or fixed number of equity shares.

14.2 INDUSIND BANK

(a) **STATUS AS AT 31-MARCH-2017 and as on 31-MARCH-2020 - IndusInd Bank:** The amount payable to Indusind Bank after calculating interest up to March 31, 2000 had been quantified at Rs. 65,149,000 as on 30-June-2004 in accordance with the "Fresh Restructuring Scheme Under Review". Out of which Fixed Deposit of Rs 74, 49,324 has been adjusted by IndusInd Bank. The balance amount of Rs. 57,699,676 shall be payable as per Fresh Restructuring Scheme. Out Rs. 57,699,676, Rs. 2,83,82,676 shall be payable in six equal yearly installments of Rs 56,76,400 from the 2nd year of the effective date of approval of Fresh Restructuring Scheme by Hon'ble Delhi High Court. The balance of Rs 2,93,17,000 shall be converted in equity shares at any time within 3 years of the effective date of approval of Fresh Restructuring Scheme by Hon'ble Delhi High Court in accordance with applicable SEBI Guidelines for issuance of preferential allotment. Pursuant to an earlier agreement with the bank, from April 1, 2000 till 31st March 2005, interest at a compounded half yearly rate of 10% p.a. has been computed at Rs. 30,020,010, which has already been paid by way of allotment of equity shares of Rs. 10/- each at a premium of Rs. 20/- on 31st March 2001 in advance. The same has been adjusted while arriving at balance of Rs. 65,149,000 as on 30th June 2004. The Fresh Restructuring Scheme does not envisage any payment of interest from 1st-April-2000. Interest payable from 01.04.2005 to 31.03.2017 is also not provided since a Fresh Restructuring Scheme, which is subject to the approval of Hon'ble High Court of Delhi, has been submitted which does not envisage payment of any interest.

(b) DECISION OF ONE MAN COMMITTEE

Decision of One MAN COMMITTEE - Now, as per the scheme, the total principal amount payable to Indusind Bank has been quantified at Rs 6.515 Lacs as on 30th June 2004. This figure has been arrived at after calculating interest upto 31st March 2000 @12% p.a. compounded quarterly on the principal amount of L/C devolvement, after allowing credits for actual amounts paid till date and credit for margin money amounting to Rs. 35.99 Lacs, and excludes penal interest/ additional interest/ overdue charges, if any, debited by the Bank. (Present outstanding after all adjustments is Rs 5.77Cr) The settlement made with the Bank in the earlier scheme has been considered as the base. The total amount payable under the scheme to Indusind Bank so quantified shall be repaid in line with the above settlement and RBI guidelines of OTS is as under:

(i) Amount due to INDUSIND Bank

Particulars	Amount (In Cr)
I. Principal Outstanding	5.77
II. Maturity Interest	-
Total	5.77

(ii) Payment Schedule**Amount (In Cr)**

Particulars	Phase-I	Phase-II
I. 70% of total principal amount	4.04	-
II. 30% of total amount	-	1.73
III. Maturity Interest	-	-
Total	4.04	1.73

Now, after approval of Fresh Restructuring Scheme as recommended by One Man Committee, the payment to Indusind Bank is restricted to the Principal Amount only. Hence, no payment of Interest was envisaged in the Scheme

		184,867,923	202,208,752

(b) Scheme "A" Series

The company had allotted the Debenture 'A' series on 28th February, 1996 and 23rd September, 1996 respectively. These debentures are secured against mortgage/hypo-thecation/charge on assets financed out of the proceeds of these debentures. The outstanding debentures of Rs. 710,000 were overdue as on March 31, 2019 out of which Rs 5,00,000 have been repaid during the year 2019-2020. The remaining overdue balance are to be paid as per report of One Man Committee under Fresh Restructuring Scheme.

Scheme "B" Series

Debenture 'B' Series were allotted on 5th November, 1996 and are secured against hypothecation/charge on land and premises situated at Mouje Pirangut, Taluka Mulshi, Distt Pune in the State of Maharashtra alongwith all buildings, structures thereon and all plant and machinery, spares, tools, accessories and other movables of the Company, both present and future, whether installed or not. The total amount of debentures allotted were Rs 281,804,100 which matured for redemption on 5th May, 1998. Out of total debentures allotted amounting to Rs 281,804,100, debentures of Rs. 9,71,46,177 have been redeemed till March 31st, 2020. The remaining debentures as at March 31, 2020 in the "B" series amounting to Rs 18,46,57,923 consist of the following:-\

Particulars	Amount (Rs.)	Amount (Rs.)
19.5% Regular	78,951,189	87,586,989
19.5% Cumulative	80,310,237	87,507,537
Deep Discount Bonds	25,396,497	26,404,226
Total	184,657,923	201,498,752

(d) The value of assets charged in favour of debentures has been depleted over a period of time but the depletion has not been ascertained. To the extent of shortfall, if any, the liability is unsecured.

(e) A supplementary trust deed for giving effect to the proposed repayment plans as provided in Clause 44 of the Trust deed has not been prepared by the trustees so far.

(f) **Status till 31-March-2017 and till 31st March 2020 -** Provision of interest on debentures up to 31st March, 2017 from the date of renewal offer letter of 1998 is calculated @ 10% p.a. of simple interest on 19.5% Debenture "B" Series and regular interest on Debenture "A" Series amounting to approximately Rs. 482,230,034 has not been provided since a Fresh Restructuring Scheme that is subject to the approval of the Hon'ble High Court of Delhi has been submitted which does not envisage payment of any interest. The rate of 10% per annum issued for Debentureholders is based on the order of Company Law Board (CLB) which was pronounced for Fixed Depositors. Though Fresh Scheme does not envisage payment of any interest, it has been considered prudent to provide interest of 10% per annum on 19.5% Debenture "B" Series and regular interest on Debenture "A" Series since date of renewal offer letter in 1998 by following principles of prudence.

However, since the Restructuring Scheme proposed by One Man Committee has been approved Hon'ble Delhi High Court, the maturity interest amount is restricted to Rs 2.35 Crores which is scheduled to be shall be to be paid in Phase-2, although decision regarding payment of interest after maturity will be taken at a future date by Hon'ble Delhi Court.

(g) **Status till 31-March-2017 -** The Central Bank of India, Bombay, Trustees for the Non-Convertible Debentures B-Series have filed a suit for recovery of Rs. 442,178,385 on 14th October, 1999 before the Hon'ble Bombay High Court. It includes interest of Rs. 155,361,443 and Rs. 286,796,000 towards principal. No provision has been made in the books of accounts for such interest.

The Hon'ble Bombay High Court vide its interim order dated 24th December, 1999 has passed an order that all receipts from hypothecated assets shall be deposited with the trustees in a separate bank account except for amounts utilized as per orders of The Reserve Bank of India and the Company Law Board.

The suit filed by the Central Bank of India before the Hon'ble Bombay High Court has been stayed by Hon'ble High Court of Delhi vide order dated September 14th, 2005 on application made by the company and there is no change in the status as at 31st March, 2020.

However, some of the debentures holders have already been paid by the Central Bank of India. The amount which has been already been paid to the Debenture Holders by the Central Bank of India be paid to the Bank. The Central Bank of India has also claimed some amount in a suit filed before the Hon'ble Bombay High Court. No claim has however, been filed by the Central Bank of India before the One Man Committee despite opportunity granted to the Bank. While computing the amount payable in phases to other creditors, this amount claimed by the Bank will be not disbursed till the bank is able to establish its claim in the appropriate proceedings before the Court/One Man Committee.

(h) DECISION OF ONE MAN COMMITTEE

As per report of One Man Committee pursuant to order dated 3.9.2015 passed by Hon'ble Delhi Court as on 10th August, 2017, repayment of Debentureholders of "A" Series as well as "B" Series is to be made in two phases. In the first phase of scheme of repayment, debentureholders are to be paid 70% the balance principal amount. The Debentureholders having balance of Rs 5,000 or less will be paid their 100% principal amount in the First Phase. In the second phase maturity interest on debentures is to be paid along with remaining 30%. The schedule of payment to Debentureholders to settle debt will be as under :-

(i) Amount due to Debenture-holders

amount invested of Rs 5000 or less. Since KYC norms are still under process and payments are to be made in coming periods, the entire debt balance of Rs 18,48,67,923 is shown as Other Current Financial Liability.

The One Man committee earlier recommended to pay to the creditors 70% of the principal amount. The above said arrangement was modified by the committee on 18th May 2019 and accordingly it has been decided to pay creditors who have claimed amount as per procedure set by the committee and whose documents have been verified. As per the claims made by the creditors 100% of principal being paid to them and balance 30% to creditors whom 70% has already been paid has also been started by the company. The balance payable to creditors is as per books and who have not claimed so far or their documents are under verification.

17.2 SIDBI

- (a) **Status till 31-March-2017** - SIDBI has filed a petition for winding up on alleged non-payment of Rs. 5,440,000 which consist of interest, overdue interest and other charges, before the Hon'ble Delhi High Court. Provision for such liability on account of interest, overdue interest, and other charges claimed and claimable by SIDBI has not been ascertained and provided for due to waiver of interest sought under the F resh Restructuring Scheme." Consequently no provision of Rs. 1,810,059 towards overdue int & other charges has been made by the company in the books of accounts.
- (b) Hypothecation / charge on assets financed out of the said loan.

(i) Amount due to Fixed Depositors as at 31-Dec-2015

Particulars	Amount (In Cr)
I. Principal Outstanding	56.31
II. Maturity Interest	14.48
Total	70.79

(ii) Payment Schedule

Particulars	Amount (In Cr)	
	Phase-I	Phase-II
I. 70% of total principal amount	36.15	-
II. Less than Rs 5,000	4.67	-
III. 30% of total amount	-	15.59
IV. Maturity Interest	-	14.48
Total	40.82	30.07

(d) Statement on Reconciliation of FDs Accepted:

Particulars	Amount in Rs
Balance as on 1st April 2018	544,992,529
Less: Redemption made during the year with the approval of High Court of Delhi	21,245,671
Balance as on 31st March 2019	523,746,858
Less: Redemption made during the year as per the scheme of one man committee	32,980,662
Balance as on 31st March 2020	490,766,196

However, since the Fresh Restructuring Scheme has been approved by One Man Committee, the maturity interest amount is decided to be 14.48 Crores payable in II Phase. Although the same is not recorded in Books of Accounts. Also the decision regarding payment of interest after maturity will be taken at a future date by Hon'ble Delhi Court.

Total Debt was scheduled to be paid in Two phases. First phase of debt settlement as per Report of One Committee pursuant to order dated 3.9.2015 has already begun in the FY 17-18 and payments to depositors of Rs.3,91,56,922 has already made till 31st March 2019. During the financial year 2019-20 further payment to depositors to the tune of Rs. 3,29,80,662/- has been made. Remaining debt includes balance 30% and unclaimed original principal amount invested of Rs 5000 or less. Since KYC norms are still under process and payments are to be made in coming periods, the entire debt balance of Rs 49,07,16,196 is shown as Other Current Financial Liability.

The One Man committee earlier recommended to pay to the creditors 70% of the principal amount. The above said arrangement was modified by the committee on 18th May 2019 and accordingly it has been decided to pay creditors who have claimed amount as per procedure set by the committee and whose documents have been verified. As per the claims made by the creditors 100% of principal being paid to them and balance 30% to creditors whom 70% has already been paid has also started by the company. The balance payable to creditors is as per books and who have not claimed so far or their documents are under verification.

17.5 INTER CORPORATE DEPOSITS

- (a) **Status as at 31-March-2017-** The value of inter corporate deposits is Rs 27,16,607. Considering the order of The Hon'ble Company Law Board for Fixed Deposits which states to charge interest @10% p.a. which should also be considered for Inter Corporate Deposits on prudence basis. Considering the interest rate of 10% p.a. the total interest liability comes to be approximately Rs. 5,433,213 which includes approximately Rs. 5,161,553 for the earlier years, has not been made in view of the "Fresh Restructuring Scheme" pending before the Hon'ble High Court of Delhi wherein the company does not envisage payment of any interest. The interest is not provided in the books of accounts

(b) DECISION OF ONE MAN COMMITTEE

ICD Lenders will be paid principal due to them as on 30th June 2004. Interest dues are waived and cancelled. The payment of principal to the ICD lenders will be made as follows:

(i) Amount due to ICD Lenders as at 31-Dec-2015

Particulars	Amount (In Lacs)
I. Principal Outstanding	27.17
II. Maturity Interest	-
Total	27.17

(ii) Payment Schedule

Particulars	Amount (In Cr)	
	Phase-I	Phase-II
I. 70% of total principal amount	19.02	-
II. Less than Rs 5,000	-	-
III. 30% of total amount	-	8.15
Total	19.02	8.15

However, after approval of Scheme of One Man Committee, the settlement has been decided at Rs 27.17 Lacs. Interest Dues are waived and cancelled.

No payment has been made till date to ICD Lenders. However, scheme has been already approved, so the amount is to be paid in coming periods as per Phase-1 and Phase-2. Hence, the amount of ICD is classified as Other Current Financial Liability.

- 17.6 During the year 1999, the company had received Rs. 10,000,000 from one of its debtors i.e. Pure Drinks New Delhi Ltd. where the winding up petition proceedings was already initiated. Upon receipt of payment, the Company reduced the recoverable amount accordingly. Subsequently, the Hon'ble Punjab and Haryana Court deemed that payment is out of turn/preferential payment made by Pure Drinks New Delhi Ltd where winding up petition proceedings was already initiated and asked the company to deposit back the said amount with Hon'ble Punjab and Haryana Court. The company had filed a SLP with the Hon'ble Supreme Court of India which has been dismissed by them. Therefore the company is liable to deposit the amount mentioned above which is yet to be deposited.

25) Significant Accounting Policies**I. BASIS OF CONSOLIDATION**

The Consolidated financial statements (CFS) relate to DCM Financial Services Limited (the holding company) and its subsidiary company.

(a) Basis of Accounting:

- (i) The Consolidated financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as the holding company i.e. year ended March, 2020.
- (ii) The Consolidated financial statements of the holding company and its subsidiary companies have been prepared in accordance with the relevant Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013.

(b) Principles of consolidation:

The consolidated financial statements have been prepared on the following basis:

- (i) The Consolidated financial statements of the holding company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Indian Accounting Standard (Ind AS) 110 - "Consolidated financial statements".
- (ii) The excess/deficit of the cost to the holding company of its investment in its subsidiaries over its share of net worth of the subsidiaries at the date of investment in the subsidiaries are treated as goodwill/capital reserve in the CFS. Goodwill is disclosed as asset and capital reserve as a reserve in Consolidated Balance Sheet.
- (iii) Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the holding company in the subsidiary companies and further movements in their share in the equity, subsequent to the dates of investments as stated above.

(c) Information on Subsidiary Companies

The following subsidiary companies are considered in the consolidated financial statements

III Basis of preparation of consolidated financial statements**A. Statement of Compliance with Ind AS**

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013. The Company adopted Ind AS from 1st April, 2018.

Up to the year ended 31st March, 2017, the Company prepared its financial statements in accordance with the requirements of previous Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006.

B. Basis of Preparation

The financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the following fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 – Share-based Payment, leasing transactions that are within the scope of Ind AS 116 – Leases, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in IndAS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets.

All the amounts included in the financial statements are reported in Indian Rupees ('Rupees' or 'Rs.'), except per share data and unless stated otherwise and rounded off to nearest Rupees.

C. Basis of classification of Current and Non-Current

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Expected to be realized within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

D. Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

E. Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period; they are recognized in the period of the revision and future periods if the revision affects both current and future periods.

F. Property, Plant and Equipment – Tangible Assets

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognized as at 1st April, 2016 measured as per the previous GAAP.

Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include applicable borrowing costs for qualifying assets, if any. All up-gradation/enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight-line basis. Land is not depreciated.

The estimated useful lives of property, plant and equipment of the Company are as follows

Asset	Life of Asset
Buildings	30 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Office Equipment	5 Years
Plant & Machinery	15 years

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Property, plant and equipment's residual values and useful lives are reviewed at each Balance Sheet date and changes, if any, are treated as changes in accounting estimate.

G. Impairment of Assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets or cash generating units exceed their recoverable amount.

Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

H. Financial Assets

Recognition: Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognized at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification: Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- Amortized cost**, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- Fair value through other comprehensive income (FVTOCI)**, where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- Fair value through profit or loss (FVTPL)**, where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognized in the Statement of Profit and Loss in the period in which they arise. Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc. are classified for measurement at amortized cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

Impairment: The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortized cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is

available without undue cost or effort. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

Reclassification: When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortized cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognized gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

De-recognition: Financial assets are de-recognized when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership.

Concomitantly, if the asset is one that is measured at:

- a) Amortized cost, the gain or loss is recognized in the Statement of Profit and Loss;
- b) Fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Income Recognition: Interest income is recognized in the Statement of Profit and Loss using the effective interest method. Dividend income is recognized in the Statement of Profit and Loss when the right to receive dividend is established.

I. Financial Liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption/ settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

Financial liabilities are de-recognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

J. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

K. Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

L. Equity Instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

M. Revenue

Revenue from the sale of goods is recognised when all the following conditions are satisfied:

- Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
 - Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
 - The amount of revenue can be measured reliably;
 - It is probable that the economic benefits associated with the transaction will flow to the Company; and
- a) **Interest income:** Income from a financial asset is recognised when it is probable that the economic benefits will flow to Company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the interest rate as applicable.

- b) Dividend income:** Dividend is recognised when the right to receive the payment is established (generally on shareholder's approval by the reporting date).
- c) Other revenues:** are recognised on accrual basis, except where there are uncertainties in realisation / determination of income and in such case income is recognised on realisation / certainty.

N. Employee Benefits

a) Retirement benefit costs and termination benefits :

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Contribution towards Provident Fund is paid as per the statutory provisions. These benefits are charged to the Statement of profit and loss of the year when they become due. For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the return on plan assets(excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to the statement of profit and loss. Past service cost is recognised in the statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement.

b) Short-term and other long-term employee benefits:

A liability is recognised for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Leave availment / encashment benefit is provided as per Company Scheme. Employee's are entitled to accumulate leaves subject to certain limit as per Company scheme. Liabilities for compensated absence that are not expected to be settled wholly within 12 months after the end of the period in which the employees rendered the related service, are measured at the present value of expected future payment to be made in respect of service provided by employees up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of reporting period. Re-measurement as a result of experience adjustments and change in actuarial assumptions are recognised in the statement of profit and loss. The liability is determined through actuarial valuation using projected unit credit method.

O. Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset/s and the arrangement conveys a right to use the asset/s, even if that right is not explicitly specified in an arrangement.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

P. Taxes on Income

Income tax expense represents the sum of the tax currently payable and deferred taxation.

a) Current Tax

Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

b) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity respectively.

c) Minimum Alternate Tax

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Group. Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Q. Claims

Claims against the Company not acknowledged as debts are disclosed after a careful evaluation of the facts and legal aspects of the matter involved.

R. Provisions

Provisions are recognised when, as a result of a past event, the Company has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is a best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

S. Operating Segment

The Company is engaged in a single segment i.e. Financing Operations viz., inter corporate deposits and investments. Presently Company is not carrying on any operation except realizing all debts or maintaining existing assets. The operating results are regularly reviewed and performance is assessed by its Chief Operating Decision Maker (CODM). All the company's resources are dedicated to this single segment and all the discrete financial information is available for this segment.

T. Earnings per share

Basic earnings per share is calculated by dividing profit or loss attributable to the owners of the company by weighted average number of equity shares outstanding during the financial year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, share split and any new equity issue. For the purpose of calculating diluted earnings per share, profit or loss attributable to the owners of the Company and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

U. Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood on outflow of resources is remote, no provision or disclosure is made.

V. Financial and Management Information Systems

The Company's Accounting System is designed to unify the Financial Records and also to comply with the relevant provisions of the Companies Act, 2013, to provide financial and cost information appropriate to the businesses and facilitate Internal Control.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. ADDITIONAL NOTES TO ACCOUNTS

26) RESTRUCTURING SCHEME (Holding Company)

Preamble

The management for a structured debt repayment had prepared two schemes of arrangement for reorganization of share capital of the company and for compromise with its secured and unsecured creditors. Both the schemes of arrangement envisage a viable, just & equitable settlement with its secured and unsecured creditors while simultaneously increasing the risk and stake of the promoters and their shareholding through fresh infusion of funds by the promoter company.

The company moved an application before the Hon'ble Company Law Board, New Delhi on 22nd July 2004 under Regulation 44 of the Company Law Regulations, 1991 proposing a fresh repayment schedule to fixed depositors of the Company. The same repayment schedule included in the "**Fresh Restructuring Scheme**" filed before the Hon'ble High Court of Delhi at New Delhi on 24th September 2004.

The implementation of the schemes is subject to the fulfillment of all the conditions of erstwhile section 391 to section 394 of the Companies Act, 1956 and approval/orders of the Hon'ble Delhi High Court. The Hon'ble Delhi High Court did not approve the company's first scheme filed in May 2000, though approved by the secured and unsecured creditors in their respective meetings convened pursuant to the orders of the Hon'ble Court, yet the Hon'ble Court did not accord sanction to the scheme on technical grounds. An application for review had been filed before the Hon'ble Delhi High Court on 30th May 2003, which is not yet to be listed for hearing and which is hereinafter, wherever applicable, referred to as the "**Old scheme under review**".

The company intends not to pursue the review application filed for the old scheme under review before the Hon'ble Delhi High Court and it is proposed to be withdrawn at an appropriate stage of the proceedings for the sanction of the "**Fresh Restructuring Scheme**".

The company filed a fresh Scheme of Arrangement for the reorganization of the share capital of the company and for compromise with the secured and unsecured creditors of the company, hereinafter referred to as the "**Fresh Restructuring Scheme**" before the Hon'ble Delhi High Court at New Delhi on 24th September 2004.

Pursuant to the orders of the Hon'ble Delhi High Court, the unsecured creditors and debenture holders in their meeting convened under the Chairpersonship of court appointed Chairpersons (retired Judges of Hon'ble Delhi High Court) on 1st April 2005 and 2nd April, 2005 have approved the scheme without any modifications with the requisite majority. The meeting of the other secured creditors (banks/ institutions) was held on 17th September 2005 and has also approved the scheme by the requisite majority after considering some modifications proposed by the Punjab & Sind Bank.

The promoter company has undertaken, subject to sanction of the scheme by the Hon'ble Delhi High Court, to contribute to Rs. 195,000,000 of which Rs. 156,000,000 were deposited with the Registrar of the Hon'ble Delhi High Court Registrar, as per court order by the promoter group, and the balance amount of Rs 39,000,000 had been deposited with the Registrar of the Hon'ble Delhi High Court Registrar on 27th April, 2012.

The restructured debts of the company for each category of debt is on the basis of outstanding as envisaged in the fresh restructuring scheme filed in the year 2004 excluding interest not provided for and all liquidated damages/penal charges and interest on unpaid interest. The "**Fresh Scheme of Arrangement**" is drawn on the basis of acceptance of waiver of payment of past and future interest, penal charges, liquidated damages, and any other charges, costs and claims etc. except as provided and for values contained therein which is subject to the approval of the Hon'ble Delhi High Court.

Over the years and till 31st March, 2017, the accounts of the company have been drawn on the assumption that the "**fresh restructuring scheme**" will be accepted and implemented. If it is not accepted and cannot be implemented for any reason the total liability before the proposed restructuring scheme including those for which no provision has been made and has been quantified under appropriate heads, shall become payable.

Developments during the financial year ended 31st March 2020

Justice Anil Kumar as one man committee was appointed vide order dated:- 3rd September, 2015 by the Hon'ble High Court of Delhi to scrutinize the list of depositors and other claimants and to take steps enumerated hereinafter with the view to resolve at-least some of the disputes. The Hon'ble High Court of Delhi entrusted the following functions to said One Man Committee:-

- (i) To scrutinize and finalize the list of depositors/ claimants so as to assess the genuineness of the depositors and their claim and to weed out any duplicate) benami, fictitious and doubtful claims.
- (ii) To categorize the claimants/ depositors into groups, on the basis of various parameters. For instance, depositors could be segregated into (a) individuals (b) corporate (c) institutions (Banks and Finance Companies), etc. Similarly, very small depositors wherein, the amount due is only upto Rs. 5,000 could be segregated as a separate category.
- (iii) At the same time it would also be open to the Central Bank of India which was constituted a debenture trustee by the company, to put up any claims that they may have before the said committee.
- (iv) To take stock of the entire assets of the company, whether in the form of fixed assets or bank accounts and fixed deposits, etc.
- (v) To assess the value of the fixed assets of the company and for the purpose, If need be, take the help of a professional valuer. Also, to get from the company its brief statement of accounts which shall include all income and expenditures, so as to enable a proper review of the assets and liabilities of the company.
- (vi) To suggest modalities for the disposal of 'fixed assets, so that the money realized could be used for disbursement of principal amounts as well as interest (over the delayed period), if possible, amongst the depositors.

- (vii) To make suggestions on the modalities of payment, which would obviously depend upon the amounts finally realized after disposing off/ liquefying all assets of the company.

The one man committee submitted its report on to Hon'ble High Court of Delhi on 22nd April, 2016. Taking cognizance of the report, Hon'ble High Court of Delhi on 10th August, 2017 accepted the recommendation of one man committee enumerated in the report. Hon'ble High Court of Delhi also noted that none of the parties had any objection on the implementation of the report. The task of implementing the report was also assigned to Justice Anil Kumar. Hon'ble High Court of Delhi held that the issue of revival of the company will be decided once all payments are made in the manner as suggested in the report. The report of one committee has laid the schedule of payments to parties covered under the scheme as under:-

- (i) Before starting repayment of amount, the genuineness of the all the depositors and their claims shall be assessed to weed out any benami, fictitious and doubtful claims. Notices to all the depositors/ claimants shall be sent and consideration of their pleas and contentions will be necessary. From the data it has also been observed that some of the individuals and companies have invested sums by depositing multiple small amounts. Committee observed that that it already has sufficient funds, ready cash, to repay about 70% of the deposits to all the depositors having deposits of more than Rs 5,000 including secured creditors in the first stage. It is recommended in the circumstances that 70% a part of the amount be paid to the creditors having deposits of more than 5,000 and full amount be paid to those who have deposits of Rs. 5,000 or less than Rs.5,000 in the first instance.
- (ii) In order to realise the maximum value of the immovable asset of the Company, the premises/property in the building of NBCC, it is the recommendation of the committee that the same be sold by the auction by the Hon'ble Company Court. The company has estimated its value around Rs.41 Cr., whereas the creditors are of the view that its value will not be less than Rs 80 crores. It has been noticed that the disputes are pending between NBCC and the Petitioner Company with regard to the said property which is pending adjudication before Shri S.K. Kaul, Sole Arbitrator appointed by NBCC in terms of Agreement dated 9th Dec, 1995 and is now fixed for final arguments. The claim of NBCC is for an amount of Rs.2.88 Cr. It is also noticed that such other and several disputes are pending with regard to this NBCC property, which make it unfeasible for anyone to sell it easily or to get a realistic value of the property on the basis of valuation report and then to decide on such valuation as to how much total amount is to be paid to the creditors. Valuation of such a property will also be more of distress sale value and will not be realistic. In the circumstances an efficacious way will be to pay a part of the amount from the liquid assets available with the company and in the meantime also to sell the fixed assets of the Company by auction by the Hon'ble Company Court. This will result in a part payment to all the genuine creditors and to realize the actual value of the immoveable assets of the Company. This will also facilitate the Hon'ble Company Court to determine whether some interest should be paid to the creditors considering all the other factors including that the endeavour is not to wind up the Company but to revive the Company if sufficient surplus is available with the Company after selling all its immoveable assets. Therefore, it is recommended" that the" immovable and fixed assets of the company be sold by auction by Hon'ble Company Court in the manner adopting the modalities which are followed while selling the fixed assets and the immovable properties of the companies which are under liquidation with the help from Official Liquidator or a Consultant, though the sale of the properties is not for the purpose of winding up the Petitioner Company.
- (iii) Tentative realizable value of the following assets of the Company will be :-

PUNJAB & SIND BANK (PSB)**Background**

The Punjab and Sind Bank had filed recovery proceedings in the year 2000 before the Debt Recovery Tribunal for Rs.12.17 Cr. comprising of Rs.8.50 Cr. as ledger balance and Rs.3.76 Cr. as Memo Interest. In the year 2000. Company in order to redress the repayment issues, propounded a scheme and in the scheme of rearrangement with its creditors proposed to pay Rs 9.51Cr to the Bank and the Bank voted in favour of scheme and the suit in DRT has been stayed by the High Court and the Bank agreed to receive Rs. 9.51 crores. This amount was agreed after protracted discussions/ negotiations with PSB, and it has been agreed that amount payable as on Sept,1997 will be taken as principal and interest from Sept 1997 to March, 2000 will be added @ 10% quarterly compounded. Thus the amount payable became Rs 9.51 Cr. It was admitted and justified by the said bank that this settlement was as per RBI guidelines. Reliance for this can be placed on an internal note dated 12th Sept, 2000 of the bank and a letter dated 20th Oct,2000 from the counsel of PSB. As per terms of settlement Rs 50.00 Lacs were paid to PSB in the year 2000. Though the part payment has been made to the Bank pursuant to settlement and scheme, however, due to modifications made in scheme for, PSB by Company in the creditors meeting. The scheme was, will be paid in 6 equal yearly installments of one year after the approval of the said scheme or 1st April, 2006 which ever will be earlier and balance 40% by equity shares at any time within three years of the effective date or 1.4.2006. The shares were to be allotted on preferential allotment basis as per the rate approved by SEBI under its guidelines. The sale price of the share was protected to the extent of Rs.375 lacs by issuing fresh additional equity, if required. The bank was paid Rs. 90 lacs in the year 2005-06, but further amount could not be paid on account of order dated 6th March, 2006 "of the Hon'ble Court. The Bank received the amounts partly under the settlement and could not withdraw from the scheme without refunding the amounts received by it, yet in 2012 it filed an application for intervention/ objection to the scheme which has not been allowed. In the circumstances the amount payable to the bank has been taken as settled with the Bank and 70% of the. said amount be paid forthwith in the first phase and balance in the second phase which is substantially better as earlier only Rs.60 lakhs was payable in six years and equity shares were to be issued for the balance amount. Under the previous proposal which has been accepted by the Bank, the amount was payable in installments and part of the amount by converting the amount in' equity shares whereas under present recommendation 70% of the amount is payable forthwith and balance' amount in second phase after liquefying all the assets of the Company which will be probably within two years.

In the scheme, the amount payable to Punjab & Sind Bank has been quantified at Rs. 9.0180 Cr as on 30th June 2004. This figure has been arrived at after compounding the interest payable on the principal amount due as on 30th September 1997, at the rate of 10% compounded quarterly till 31st March 2000, after allowing credit for actual amount paid till date. (Present Value of amount payable after all adjustments the payable amount is Rs 8.034 Cr) The settlement made with the Bank in the scheme earlier has been considered as the base. Accordingly, keeping in line with the above settlement and OTS guidelines of RBI, the following payments is recommended to be made to PSB:

(A) Amount due to PSB as decided one man committee as at 31st December, 2015

S.N.	Particulars	Amount Rs in Cr.

- (e) Pursuant to sub-section 5 of section 203 Companies Act, 2013 read with Rule 8 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, every listed company is required to appoint a Whole Time Company Secretary, non-compliance of which the company shall be punishable with fine which shall not be less than one lakh rupees but which may extend to five lakh rupees. However during the year ended March 31st, 2017, the Holding Company was in contravention of the aforesaid provision. As explained to us, the management has made various attempts to appoint a Whole Time Company Secretary, however was unable to appoint Whole Time Company Secretary in the absence of suitable candidate. The Company has made relevant disclosures in the Board of Directors meeting regarding this issue.

However during the year ended March 31st, 2018, the Company has appointed Whole Time Company Secretary with effect from 22nd April, 2017.

Regarding non appointment of Whole Time Company Secretary till 22nd April, 2017, it is non-compliance of Section 203 of Companies Act, 2013, which could attract penalties. Presently it is not feasible to determine the financial impact on the financial.

- (f) Pursuant to section 149 of Companies Act, 2013 read with rule 3 of Companies (Appointment and Qualification of Directors) Rules, 2014 every listed company is required to appoint at least one Woman Director. During the year ended March 31st, 2016, the Holding Company was in contravention of the aforesaid provision as no woman director has been appointed. It is non-compliance of Section 149 of Companies Act, 2013. Presently Section 149(1) of the Companies Act, 2013 is silent on the component of penalty. SEBI guidelines prescribed penalties for the non-compliance which are Rs. 50,000 from 1-April-2015 to 30th June, 2015 and thereafter Rs. 1,000 per day for next 01-July-2015 to 30-Sep-2015 and thereafter from 01-Oct-2015 onwards Rs. 5,000 per day. With effect from 6-October 2016, woman director has been appointed by the Company. Total estimated penalty/fine comes to Rs. 16.85 Lacs (P.Y RS.16.85 Lacs) till date of appointment of woman director (i.e. 5th October, 2016). No provision of Rs 16.85 Lacs has made in the books of accounts. Had provision been provided for in the financial statements, the net profit before tax for

the year ended 31st March, 2018 would have been lower by Rs 16.85 Lacs and net profit after tax would have been lowered by Rs. 13.40 Lacs. The cumulative net loss as well as Current/Non- Current Liability/Provisions as at 31st March, 2020 would have been higher by Rs. 13.40 Lacs.

B) Commitments

There are no non-cancellable capital commitments.

29) Defined Benefit Plans/Long Term Compensated Absences :-

Description of Plans

The Holding Company makes contributions to Defined Benefit and Defined Contribution Plans for qualifying employees. Gratuity Benefits and Leave Encashment Benefits are unfunded in nature. The Defined Benefit Plans are based on employees' length of service.

The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method at the year end. The Company makes regular contributions to these Employee Benefit Plans. The net Defined benefit cost is recognized by the companies in Financial Statements.

Discount Rate: The present value of Defined Benefit Plans liability is determined using the discount rate based on the market yields prevailing at the end of reporting period on Government bonds. A decrease in yields will increase the fund liabilities and vice-versa.

The estimated term of the benefit obligations works out to 10.87 years. For the current valuation a discount rate of 7.63% p.a. compound has been used.

Salary Escalation Rate: The Salary Escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again, a long term view as to the trend in salary escalation rates has to be taken rather than guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

Withdrawals Rate: Past experience indicates the current level of attrition. The assumption may incorporate the Company's policy towards retention of employees, historical data and industry outlook.

Mortality Rate: We have used Indian Assured Lives Mortality Table (IALM) 2006-08, as issued by Institute of Actuaries of India, for the valuation.

The following table summarize the components of net benefit expenses recognized in the statement of Profit & loss and the funded status and the amount recognized in Balance Sheet during 2019-20.

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined on the basis of net asset value as per last available audited financial statements.

Level 3: If one or more of the significant inputs is not based on observable market data, the fair value is determined using discounted cash flow method with the most significant inputs being the discount rate that reflects the credit risk of the counter-party.

35) Capital Management

The Company's objective for managing capital is to ensure as under:

- a) To ensure the company's ability to continue as a going concern.
- b) Maintaining a strong credit rating and healthy debt equity ratio in order to support business and maximize the shareholders' value.
- c) Maintain an optimal capital structure.
- d) Compliance financial covenants under the borrowing facilities.

For the purpose of capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the Company.

The Company manages its capital structure keeping in view of:

- a) Compliance of financial covenants of borrowing facilities.
- b) Changes in economic conditions.

In order to achieve this overall objective of capital management, amongst other things, the Company aims to ensure that it meets financial covenants as decided by One Man Committee and Delhi High Court. One Man Committee has given few recommendations for payments to its creditors which has been accepted by Hon'ble Delhi High Court.

There has been no breach in the financial covenants of any borrowing facilities in the current period. There is no change in the objectives, policies or processes for managing capital over previous year.

36) Going Concern Basis

The Holding company filed a fresh Scheme of Arrangement for the reorganization of the share capital of the company and for compromise with the secured and unsecured creditors of the company, hereinafter referred to as the "Fresh Restructuring Scheme" before the Hon'ble Delhi High Court at New Delhi on 24th September 2004.

Pursuant to the orders of the Hon'ble Delhi High Court, the unsecured creditors and debenture holders in their meeting convened under the Chairpersonship of court appointed Chairpersons (retired Judges of Hon'ble Delhi High Court) on 1st April 2005 and 2nd April, 2005 have approved the scheme without any modifications with the requisite majority. The meeting of the other secured creditors (banks/institutions) was held on 17th September 2005 and has also approved the scheme by the requisite majority after considering some modifications proposed by the Punjab & Sind Bank. The promoter company has undertaken, subject to sanction of the scheme by the Hon'ble Delhi High Court, contributed Rs. 195,000,000 of which Rs. 156,000,000 were deposited with the Registrar of the Hon'ble Delhi High Court Registrar, as per court order by the promoter group, and the balance amount of Rs 39,000,000 had been deposited on 27th April, 2012. The Fresh Restructuring Scheme kept pending for approval of Hon'ble High Court of Delhi. Over the years and till 31st March, 2017, the accounts of the company have been drawn on the assumption that the "**fresh restructuring scheme**" will be accepted and implemented. If it is not accepted and cannot be implemented for any reason the total liability before the proposed restructuring scheme including those for which no provision has been made and has been quantified under appropriate heads, shall become payable.

Justice Anil Kumar as one man committee was appointed vide order dated:-3rd September, 2015 by the Hon'ble High Court of Delhi to scrutinize the list of depositors and other claimants and to take steps enumerated hereinafter with the view to resolve at-least some of the disputes.

The one man committee submitted its report on to Hon'ble High Court of Delhi on 22nd April, 2016. Taking cognizance of the report, Hon'ble High Court of Delhi on 10th August, 2017 accepted the recommendation of one man committee enumerated in the report. One Man Committee observed that that it already has sufficient funds, ready cash, to repay about 70% of the deposits to all the depositors having deposits of more than Rs 5,000 including secured creditors in the first stage. Under Phase -1, 70% a part of the amount be paid to the creditors having deposits of more than 5,000 and full amount be paid to those who have deposits of Rs. or less than Rs.5,000 in the first instance. In the second phase, which should also commence. with phase 1 simultaneously, properties and shares and all the assets be liquidated by selling and the realized amount is recommended to be utilized for the repayment of balance 30% of principal and the maturity value on the fixed deposits, debentures and banks. If the amount is still available to the Company, the Hon'ble Company Court may decide whether some amount - be paid as interest as has also been recommended by the Reserve Bank of India. During the year ended 31st March, 2018, Company started paying the amount as per Phase-I and Phase-I

is still in continuation for the financial year ending 31st March 2019 and 31st March 2020, However, company has simultaneously started making payment under phase- II of balance 30% to those who have claimed the same. During the year 2019-20 company has started making payment of 100% to those creditors who are claiming it. Hon'ble High Court of Delhi held that the issue of revival of the company will be decided once all payments are made in the manner as suggested in the report. The accounts of the company have been prepared on a "going concern" basis on an assumption & premises made by the management that:-

- (a) Group's incurred a net loss of Rs.3,120,791 during the year ended March 31, 2020 and, as of that date, the Group's current liabilities exceeded its total assets by Rs.411,546,356. The accumulated loss as on 31st March, 2020 stands to Rs. 855,417,842/-(Previous year Rs. 852,297,051/-). As on 31st March, 2020, the Group's total liabilities exceeded to its total assets by Rs. 432,888,691/- (Previous year Rs. 429,767,900/-).
 - (b) The Company is not carrying on any business as to comply with the directives of the Reserve Bank of India the company ceased to accept deposits from September 1997 and the company's application to RBI for certificate of registration (CoR) as a NBFC had been rejected by the RBI in year 2004. The Company contends that the Scheme of One Man Committee shall be implemented in full and other aspect of fresh restructuring scheme such issuance of equity to SBI HOME FINANCE LTD and Pressman Leasing would be approved/decided upon by the Hon'ble Delhi High Court and accordingly the decision on revival of Company would be taken by Hon'ble Delhi High Court and
 - (c) Adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis,
- 37)** The Holding Company's application to RBI for Certificate of Registration (CoR) as a NBFC had been rejected by the RBI in year 2004. The company had made an appeal to the Appellate Authority, Ministry of Finance which directed the RBI to keep its order of rejection of CoR in abeyance for a period of six months and directed the company to file Fresh Restructuring Scheme before Hon'ble Delhi High Court. RBI has preferred an appeal before the Hon'ble Delhi High Court against the order of the appellate authority, which is still pending. This may be decided upon once scheme of One Man Committee shall be implemented in full and other aspect of fresh restructuring scheme would be approved/decided upon by the Hon'ble Delhi High Court.
- 38)** Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of which party wise details are not available. Balance confirmation of inter-corporate deposits, balance of ex-employees, margin against L/C, loans from institutions, banks, and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/ payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials and the amount referred as payable in the financials can differ.
- 39) Segment information for the year ended 31st March 2020**
- The Company is engaged in a single segment i.e. Financing Operations viz., inter corporate deposits and investments. Presently Company is not carrying on any operation except realizing all debts or maintaining existing assets. The operating results are regularly reviewed and performance is assessed by its Chief Operating Decision Maker (CODM). All the company's resources are dedicated to this single segment and all the discrete financial information is available for this segment.
- 40)** The COVID -19 pandemic is rapidly spreading throughout the world. The company is not doing any operations as there is order by the Hon'ble High Court and RBI to not to do any operations/ business. Accordingly, company is only paying back its creditors and Fixed Deposit Holders as per the recommendations of One Man Committee. The Company has resumed repayment to its creditors in a phased manner as per directives from the Government of India. The Company has evaluated impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial results as at 31st March 2020. However, the impact assessment of COVID-19

is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions.
