4. CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements prepared in accordance with the Companies Act, 2013 and Accounting Standards-21 is attached with the Annual Report.

5. MANAGEMENT DISCUSSION AND ANALYSIS**(i) Industry Structure and Development**

Non-Banking Finance Companies (NBFC) sector in India is represented by a mix of a few large companies with nationwide presence and a few small and medium sized companies with regional focus, primarily engaged in hire purchase financing, investments, corporate loans, IPO funding, venture capital and other non-fund based activities. The Reserve Bank of India (RBI) regulates and supervises these NBFCs.

(ii) Opportunities and Threats

The NBFCs are facing stiff competition from Banks and Financial Institutions, due to the ability of Banks & FI's to raise low cost funds which enables them to provide funds at more favorable rates. More stringent capital adequacy norms have been stipulated by RBI for NBFCs also resulted into their inability to give cheaper finance.

(iii) Segment-wise or Product-wise Performance

The Company has been primarily engaged in the business of hire purchase, leasing, bill discounting and non-fund based activities. Since the risk and returns in these businesses are similar, therefore, they are grouped as a single segment. This is in accordance with the guiding principle provided in the Accounting Standard on Segment Reporting (AS- 17) issued by The Institute of Chartered Accountants of India.

(iv) Future Outlook

The Company is presently engaged in recovery of delinquent loan assets and settlement of old legal cases filed by/ against the Company. Application made to RBI in the year 1997 for registration as NBFC was rejected by RBI in 2004. Company has filed a scheme of settlement with creditors and reorganization of share capital with the Hon'ble High Court of Delhi. Pending sanction of scheme by Hon'ble High Court of Delhi and recovery of loan assets, the possibilities of venturing into newer business areas shall be examined subsequently.

(v) Risks and Concerns

High interest regime in the economy may act as a dampener for the financing business. There is also stiff competition due to entry of large players in the market.

(vi) Internal Control Systems and their adequacy

The Internal Control Systems are in place to serve the existing operations of the Company.

(vii) Financial Performance

The loss for the year amounts to Rs. 282.51 Lacs.

(viii) Human Resource and Industrial Relations

The Company is having five employees as on the date of this report. Your Directors relation at all levels with employees were cordial.

6. CAUTIONARY STATEMENT

Statements in this Management Discussion and Analysis section describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations are significant changes in political and economic environment in India, tax laws, RBI regulations, exchange rate fluctuation and related costs.

Auditors' Qualifications/ Observations and Management Comments Thereon

Going Concern Basis -Para i and note 30. In accordance with section 217 (2AA) of the Companies Act, 1956, the financial statements are required to be made on going concern basis. In light of the fresh scheme of restructuring pending before the Hon'ble Delhi High Court, the Company has plans for future business and income generation. Accordingly it is not only prudent but also imperative to draw the financial statement based on such Going Concern basis. The Scheme seeks to restructure relying on debt equity swaps and profits earned by engaging in service oriented, fee based business leading to progressive reduction in the debt of the Company. The Scheme of Arrangement would not only enable the Company to wipe out its debts but will also enable it to reduce carry forward losses to be a profitable entity. REPORT ON CORPORATE GOVERNANCE

I. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate Governance may be defined as a set of systems, processes and principles, which ensure that a Company is governed in the best interest of all stakeholders. It is the system that directs and controls respective companies. It is about promoting corporate fairness, transparency and accountability. In other words, 'Good Corporate Governance' is simply 'good business'.

In India, the question of Corporate Governance has emerged mainly in the wake of economic liberalization and de-regularization of industry and business. The objective of any Corporate Governance system is to simultaneously improve corporate performance and accountability. These, in turn, help to attract financial and human resources on the best possible terms and prevent corporate failure.

Corporate Governance consists of procedures and processes, according to which an organisation is directed and controlled. Its structure specifies the distribution of rights and responsibilities among different pan-organizational participants, such as the Board, managers, shareholders and other stakeholders. The system helps to lay down the rules and procedures for decision making.

The objective of Good Corporate Governance is to ensure the Board's commitment towards transparent management to maximize long-term value for the Company's shareholders and other partners. It integrates all the participants involved in a process, which is economic and at the same time, social.

A well-defined and enforced Corporate Governance benefits everyone concerned by ensuring that the enterprise adheres to accepted ethical standards and best practices, as well as to applicable laws.

Corporate Governance goes beyond the practices enshrined in the laws and is imbibed in the basic business ethics and values that needs to be adhered to in letter and spirit. However a transparent, ethical and responsible Corporate Governance framework essentially emanates from the intrinsic will and passion for good governance ingrained in the organisation.

Good Corporate Governance practices are also essential for a sustainable business model for generating long term value for all its stakeholders.

At DCM Financial Services, Corporate Governance practices aim to adhere to the highest governance standards through continuous evaluation and benchmarking

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF DCM FINANCIAL SERVICES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of DCM Financial Services Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statement of Profit and Loss and Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards referred specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

- (i) The accounts and financials of the company have been prepared on going concern on the assumption and premises made by the management of the Company that (a) The fresh restructuring scheme would be approved by the Hon'ble Delhi High Court in totality which is still pending for approval & acceptance (b) adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis and (c) injection of Rs.1,950.00 Lacs as promoters quota which has already been infused by the management group. The same has been explained in **Note 30**.
- (ii) No provision of Rs.823.24 Lacs (Rs.14,843.55 Lacs towards accumulated Interest as at 31st March, 2015) (Previous Year - Rs14,020.03 Lacs) which is simple interest calculated @10% per annum as stipulated in the Fresh Restructuring Scheme filed before Hon'ble Delhi High Court, towards Interest on Debentures, Term Loans & Bank, Fixed Deposits and Inter Corporate Deposits, have been provided in the financial statements. Had these been provided for in the financial statements, the net loss for the year ended 31st March, 2015 and cumulative net loss

as well as Current / Non-Current Liabilities as at 31st March, 2015 would have been overstated by Rs.823.23Lacs and Rs.14843.55Lacs respectively. This is a contravention of the Accounting Standard 1 on Disclosure of Accounting Policies issued by Ministry of Corporate Affairs, Government of India. The same has been explained in Note 4.1.g, Note 4.4(g) and Note 4.6.

- (iii) For redemption of debentures of Rs.8.75 Lacs, debenture redemption reserve is required to be created. Debenture redemption reserve of Rs.8.75 lacs has not been created due to insufficient profits. The same has been explained in Note 2.2.

The same has been explained in Note 4.1.e and Note 4.2.b & 4.3.1.
- (v) Fixed Deposits and Bills Payable as per Fixed Deposit Register maintained by the Company are Rs.5627.29 lacs whereas the same as per financials books comes to Rs.5617.20 lacs. Their is a difference of Rs.10.69 lacs which is un-reconciled in the Fixed Deposit Register. The reason is either lack of identification of depositors or no claim or confirmation having been received by the company. The provision of such differential amount has not been made in the books of accounts. The provision of such differential amount has not been made. The same has been explained in Note 4.4.(e) & Note 4.4.(f).
- (vi) Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of which party wise details are not available. Balance confirmation of inter-corporate deposits, balance of ex-employees, margin against L/C, loans from institutions, banks, and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/ payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials. Please refer **Note No-31**.
- (vii) Due to liquidity crisis in the past, minimum liquid assets @ 15% of Fixed Deposits as per directives of Reserve Bank of India under Non-Banking Company Prudential Norms, has not been maintained by the company. The company has applied to RBI and Company Law Board for exemption from maintaining minimum liquid assets and payment of penal interest but the disposal of the application is still pending. The same has been explained in Note 4.4.(h).
- (viii) **Global IT Options Limited** has till 31st March, 2015 incurred expenditure of Rs.20.47 lacs for & on behalf of its Holding Company (i.e. DCM Financial Services Limited). It comes under the category of short term funding. In case of Inter-Corporate Deposit, Section 186 of Companies Act, 2013 stipulates to charge interest at a rate not less than the bank declared by Reserve Bank of India. No Interest has not been provided on outstanding balance of Rs.20.47 lacs by Company to its subsidiary - **Global IT Options Limited**. It is non compliance of Section 186 of Companies Act, 2013, which could attract penalties.

(ix) Contingent liabilities and Other Commitments

- (a) Claims lodged and contingent liability arising out of suits and winding up petitions filed against the company not acknowledged as debts amounts to Rs.826.38 Lacs. There are also other cases filed in consumer, civil & criminal courts and other courts against the company for which the company is contingently liable but for which the amount is not quantifiable.

- (d) During the year 1999, the company had received Rs.100.00 Lacs from one of its debtors i.e. Pure Drinks New Delhi Ltd. and reduced the same amount from his recoverable balance. Subsequently the Hon'ble Punjab and Haryana Court deemed that payment is an out of turn payment and asked the company to deposit back the said amount. The company had filed a SLP with the Hon'ble Supreme Court of India which has been dismissed by them. Therefore the company is liable to deposit the amount mentioned above which has yet to be deposited. Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in of the Emphasis of Matter paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

- (i) The accounts and financials of the company have been prepared on going concern on the assumption and premises made by the management of the Company that (a) The fresh restructuring scheme would be approved by the Hon'ble Delhi High Court in totality which is still pending for approval & acceptance (b) adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis and (c) injection of Rs.1950.00 Lacs as promoters quota which has already been infused by the management group. The same has been explained in **Note 30**.

- (ii) No provision of Rs.823.24 Lacs (Rs.14,843.55 Lacs towards accumulated Interest as at 31st March, 2015) (Previous Year – Rs.14,020.03 Lacs) which is simple interest calculated @10% per annum as stipulated in the Fresh Restructuring Scheme filed before Hon'ble Delhi High Court, towards Interest on Debentures, Term Loans & Bank, Fixed Deposits and Inter Corporate Deposits, have been provided in the financial statements. Had these been provided for in the financial statements, the net loss for the year ended 31st March, 2015 and cumulative net loss as well as Current / Non-Current Liabilities as at 31st March, 2015 would have been overstated by Rs.823.23Lacs and Rs.14843.55Lacs respectively. This is a contravention of the Accounting Standard 1 on Disclosure of Accounting Policies issued by Ministry of Corporate Affairs, Government of India. The same has been explained in Note 4.1.g, Note 4.4(g) and Note 4.6.
- (iii) For redemption of debentures of Rs.8.75 Lacs, debenture redemption reserve is required to be created. Debenture redemption reserve of Rs.8.75 lacs has not been created due to insufficient profits. The same has been explained in Note 2.2.
- (iv) The value of assets charged as security in favor of banks, debenture-holders & financial institutions have been depleted over a period of time. The depletion has not yet been ascertained by the Company. To the extent of shortfall, if any, the liability is unsecured, whereas the same has been shown as secured. The same has been explained in Note 4.1.e and Note 4.2.b & 4.3.1.
- (v) Fixed Deposits and Bills Payable as per Fixed Deposit Register maintained by the Company are Rs.5627.89 lacs whereas the same as per financials books comes to Rs.5617.20 lacs. Their is a difference of Rs.10.69 lacs which is un-reconciled in the **Fixed Deposit Register**. The reason is either lack of identification of depositors or no claim or confirmation having been received by the Company. The provision of such differential amount has not been made in the books of accounts. The provision of such differential amount has not been made. The same has been explained in Note 4.4.(e) & Note 4.4.(f).
- (vi) Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of which party wise details are not available. Balance confirmation of inter-corporate deposits, balance of ex-employees, margin against L/C, loans from institutions, banks, and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/ payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials. **Please refer Note No-31.**
- (vii) Due to liquidity crisis in the past, minimum liquid assets @ 15% of Fixed Deposits as per directives of Reserve Bank of India under Non-Banking Company Prudential Norms, has not been maintained by the Company. The Company has applied to RBI and Company Law Board for exemption from maintaining minimum liquid assets and payment of penal interest but the disposal of the application is still pending. The same has been explained in Note 4.4.(h).

(viii) Contingent liabilities and Other Commitments

- (i) Claims lodged and contingent liability arising out of suits and winding up petitions filed against the Company not acknowledged as debts amounts to Rs.826.38 Lacs. There are also other cases filed in consumer, civil & criminal courts and other courts against the Company for which the Company is contingently liable but for which the amount is not quantifiable.
- (ii) Punjab & Sind bank has filed a recovery suit before the Debt Recovery Tribunal (DRT) for recovery of Rs.1,217.52 Lacs against which the amount payable to them, as per books is Rs.803.40 Lacs. The Company contends that the dues of the Bank will be settled as per the fresh restructuring scheme and consequently no provision for the difference of Rs.414.12 Lacs has been made. In the event of default in the payment of interest and principal or default as per Fresh Restructuring Scheme or Fresh Restructuring Scheme is rejected, the concessions made by PSB shall stand withdrawn and their claim settled before the Debt Recovery Tribunal of Rs.1,217.52 Lacs will become payable with immediate effect.
- (iii) IndusInd Bank has filed a recovery suit before the Debt Recovery Tribunal (DRT), of Rs.1,042.42 Lacs against which the amount payable to them as per books is Rs.577.00 Lacs. The Company contends that the dues of the Bank will be settled as per the fresh restructuring scheme and consequently no provision for the difference of Rs.465.42 Lacs

has been made. In the event that the Company fails to pay the interest or principal or Company default as per Fresh Restructuring Scheme or Fresh Restructuring Scheme is rejected, the concessions made by IndusInd Bank will be withdrawn and the amount claimed in the Debt Recovery Tribunal amounting to Rs.1,042.42 Lacs would be payable with immediate effect.

- (iv) During the year 1999, the Company had received Rs.100.00 Lacs from one of its debtors i.e. Pure Drinks New Delhi Ltd. and reduced the same amount from his recoverable balance. Subsequently the Hon'ble Punjab and Haryana Court deemed that payment is an out of turn payment and asked the Company to deposit back the said amount. The Company had filed a SLP with the Hon'ble Supreme Court of India which has been dismissed by them. Therefore the Company is liable to deposit the amount mentioned above which has yet to be deposited. And in view of restrictions imposed on operations of Bank A/c's by Hon'ble Delhi High Court, the Company has filed an application to release this money for depositing the same with Punjab & Haryana High Court.
- (v) During the year ended 30th June, 2011 the Company's tenant has filed a claim of Rs.100.00 Lacs against the Company due to damages suffered by the tenant which is pending under arbitration proceedings as on 31st March, 2015.
- (vi) There is a demand of Rs.141.75 Lacs raised by Income Tax Department for the Assessment Year 2010-11 for payment of income tax under the Income Tax Act, 1961, which is disputed by the Company as brought forward losses under the Income Tax Act has not been allowed by the department and rectification application for deletion of above said demand has been filed by the Company which is pending before the appropriate authorities.
- (vii) There is an award passed by the arbitrator against the Company in the matter of MS Shoes East Limited on May 28, 2012 for Rs.51.28 Lacs i.e. claim amount along with interest of Rs.307.00 Lacs for an underwriting given by the Company in the year 1995 for the public issue of M/s MS Shoes East Ltd. Emphasis of Matter

Till June, 2007, Group Companies funded expenditure or repayments made by the Company worth Rs.549.71 Lacs. The same had been shown or credited to the Share Application Account in the financial statements of the Company. Company had already passed special resolution to allot appropriate shares, however the same is subject to sanction of **Fresh Restructuring Scheme** by the Hon'ble Delhi High Court. Such amounts were not received by the Company under any invitation or subscription to any issue and the enabling resolutions passed in this regard have expired & shares cannot be issued as per SEBI Guidelines. Besides, such amount of share application money is covered under Private Placement Rules defined under Companies Act, 2013. The "Fresh Scheme of Arrangement" is drawn on the basis of acceptance of waiver of payment of past and future interest, penal charges, liquidated damages, and any other charges, costs and claims etc. except as provided and for values contained therein which is subject to the approval of the Hon'ble Delhi High Court.

The accounts of the company have been drawn on the assumption that the "**fresh restructuring scheme**" will be accepted and implemented. If it is not accepted and cannot be implemented for any reason the total liability before the proposed restructuring scheme including those for which no provision has been made and has been quantified under appropriate heads, shall become payable.

The fresh restructuring scheme is pending before the Hon'ble Delhi High Court as at 31st March, 2015 & there is no change in the status at the time of signing of the financials for the period ended 31st March, 2015 by the Board of Directors.
