Sahai Tripathi & Co, Chartered Accountants (Registration No. 00262N)** as Statutory Auditors of the Company for a period of two years to hold office till the conclusion of 26th Annual General Meeting of the Company subject to ratification at every AGM. Therefore, the Board recommends the appointment of **M/s Mukesh Aggarwal & Co., Chartered Accountants**, as Statutory Auditor of the Company for a term of **five years** subject to approval of members in ensuing Annual General Meeting of the Company.

Qualification(s) and Directors' comments on the report of Statutory Auditor:

- 1. The accounts and financials of the Company have been prepared on going concern on the assumption and premises made by the management of the Company that (a) The fresh restructuring scheme would be approved by the Hon'ble Delhi High Court in totality which is still pending for approval & acceptance (b) adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis and (c) injection of Rs. 1950.00 Lacs as promoters quota which has already been infused by the management group. The same has been explained in Note 27.*

Directors' Comment: Going Concern Basis- Para (i) and Note 27—In accordance with section 134 (5) (d) of the Companies Act, 2013, the Financial Statements are required to be made on going concern basis. In light of the fresh Scheme of Restructuring pending before the Hon'ble Delhi High Court, the Company has plans for future business and income generation. Accordingly, it is not only prudent but also imperative to draw Financial Statement based on such

Going Concern basis. The scheme seeks to restructure relying on debt equity swaps and profits earned by engaging service oriented, fee based business leading to progressive reduction in the debt of the equity. The 'scheme arrangement' would not only enable the company to wipe out its debt but will also enable it to reduce carry forward losses to be a profitable entity.

- ii. *No provision of Rs. 817.81Lacs (Rs. 1,6465.30 Lacs towards accumulated Interest as at 31st March, 2017)(Previous Year – Rs. 1,5647.48 Lacs) which is simple interest calculated @10% per annum towards Interest on Debentures, Fixed Deposits and Inter Corporate Deposits, have been provided in the financial statements on the outstanding amount of Debentures, Fixed Deposits and Inter Corporate Deposits. Fresh Restructuring Scheme filed before Hon'ble Delhi High Court, does not envisage and seek payment of any interest as the interest has been considered waived off in the proposed scheme. The order of Company Law Board (CLB) which was issued in 1998 in the context of Fixed Deposits stipulated payment of Interest of 10% per annum to Fixed Depositors. The order of Company Law Board (CLB) applies to Fixed Deposits only, however considering the principles of prudence, it is deemed prudent to provide Interest @10% per annum since inception or renewal on outstanding amount of Debentures and Inter Corporate Deposits also.*

*Had interest @10% per annum been provided for in the financial statements on outstanding amount of Debentures, Fixed Deposits and Inter Corporate Deposits, the Net Profit before tax would have been lowered by Rs 817.81 Lacs and Net Profit after tax would have been lowered by Rs 651.07 Lacs as at 31st March, 2017. The cumulative net loss as well as Current / Non-Current Liabilities as at 31st March, 2017 would have been higher by Rs 16298.55 Lacs. The tax effect will be consequential. The same has been explained in **Note 3.1.f, Note 3.4(g) and Note 3.6.***

Directors' Comment: Provision of Interest on Certain Liabilities- Para (ii) and Note 3.1.g and 3.4 (b) (c) (g): In accordance with the Scheme of restructuring filed by the Company before the Hon'ble Delhi High Court, which provides for waiver and cancellation of interest and the same is pending before the Hon'ble Court.

- iii. *For redemption of 'B' series debentures of Rs. 2544.36 Lacs debenture redemption reserve is required to be created. Debenture redemption reserve of Rs. 2544.36 Lacs has not been created due to insufficient profits. The same has been explained in **Note 2.2.***

Directors' Comment: Creation Debenture Redemption Reserve- Para (iii) and Note 2.2: Non-creation of debenture redemption reserve is self-explanatory and cannot be created due to insufficient profits.

- iv. *The value of assets charged as security in favor of banks, debenture-holders & financial institutions have been depleted over a period of time. The depletion has not yet been ascertained by the Company. To the extent of shortfall, if any, the liability is unsecured, whereas the same has been shown as secured. The same has been explained in **Note 3.1.d and Note 3.2.b & 3.3.1.***

Directors' Comment: Depletion in the value of Assets charged to Banks/Institution and Debentures-Para (iv) and Notes 3.1.d, 3.2.b& 3.3.1: It relates to ascertainment of Security against Debentures and Bank Loan, which could not be ascertained since the Company is in litigation with various Lease and Hire Purchase customers and the matters are sub-judice, hence confirmations and acknowledgments are not feasible.

- v. *Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of which party wise details are not available. Balance confirmation of inter-corporate deposits, balance of ex-employees, margin against L/C, loans from institutions, banks, and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/ payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials and the amount referred as payable in the financials can differ. Please refer **Note No-28***

Directors' Comment: Balance Confirmation of Bills Receivable and Payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase and

lease security deposit-Para (v) and Note 28-In view of litigation with creditors mentioned in the para v, it's not possible to obtain the balance confirmations.

- VI.** *The subsidiary company namely, Global IT Options Limited has till 31st March, 2017 incurred expenditure of Rs 22.84 Lacs for & on behalf of its Holding Company (i.e. DCM Financial Services Limited). It comes under the category of short term funding which is in-fact Inter-Corporate Deposit. In case of Inter-Corporate Deposit, Section 186 of Companies Act, 2013 stipulates to charge interest at a rate not less than the bank declared by Reserve Bank of India. No Interest has not been provided on outstanding balance of Rs 22.84 Lacs by Company to its subsidiary - Global IT Options Limited with effect from 1-june-2014.*

Had interest @12% per annum which comes to Rs. 2.74 Lacs been provided for in the financial statements on outstanding amount of Inter Corporate Deposit,the net profit before tax would have been lowered by Rs. 2.74 Lacs and net profit after tax would have been lowered by Rs. 2.18 Lacs towards Interest expense for the year ended 31st March, 2017. The cumulative net loss as well as Current / Non-Current Liabilities / Provision as at 31st March 2017 would have been higher by Rs. 5.16 Lacs on account of cumulative interest with effect from 01-June-2014. The tax effect will be consequential. It is non compliance of Section 186 of the Companies Act, 2013, which could attract penalties.

Directors' Comment: Short-Term Funding by Global IT Options Limited- Para (vi): In view of restriction imposed by the Hon'ble High Court of Delhi on the operations of bank accounts since 2006, assistance of Rs. 22.84 lacs has been taken to meet the essential expenses and obligations from Global IT Options Limited. The Company being sick and as the scheme of arrangement pending before the Court does not provide payment of any interest to creditors, the subsidiary company has given this amount without interest and element of interest and its payment will be decided once the scheme is approved and liquidity position improves.

- VII.** *Pursuant to sub-section 5 of section 203 Companies Act, 2013 read with Rule 8 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 every listed company is required to appoint a Whole Time Company Secretary, non compliance of which the company shall be punishable with fine which shall not be less than one lakh rupees but which may extend to five lakh rupees. During the year ended March 31st, 2017, the Company was in contravention of the aforesaid provision. As explained to us, the management has made various attempts to appoint a Whole Time Company Secretary, however was unable to appoint Whole Time Company Secretary in the absence of suitable candidate. The Company has made relevant disclosures in the Board of Directors meeting regarding this issue. It is non compliance of Section 203 of Companies Act, 2013, which could attract penalties. Presently it is not feasible to determine the financial impact on the financial.*

Directors' Comment: Appointment of Whole-Time Company Secretary- Para (vii): The Company has appointed Whole Time Company Secretary, Ms. Srishti Singh on 22nd May, 2017 pursuant to the provisions of Section 203 (1) (ii) of the Companies Act, 2013 read with Rule 8A of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014. - VIII.** *Pursuant to section 149 of Companies Act, 2013 read with rule 3 of Companies (Appointment and Qualification of Directors) Rules, 2014 every listed company is required to appoint at least one Woman Director. During the year ended March 31st, 2016, the Company was in contravention of the aforesaid provision as no woman director has been appointed. It is non compliance of Section 149 of Companies Act, 2013. Presently Section 149(1) of the Companies Act, 2013 is silent on the component of penalty. SEBI guidelines prescribed penalties for the non compliance which are Rs. 50,000 from 1-April-2015 to 30th June,2015 and thereafter Rs. 1000 per day for next 01-July-2015 to 30-Sep-2015 and thereafter from 01-Oct-2015 onwards Rs. 5000 per day. With effect from 6-October 2016, woman director has been appointed by the Company. Total estimated penalty/fine comes to Rs. 16.85 Lacs (P.Y RS.10.50 Lacs) till date of appointment of women director (i.e. 5th October, 2016). Had provision been provided for in the financial statements, the net profit before tax for the year ended 31st March, 2017 would have been lower by Rs 6.35 Lacs and net profit after tax would have been lowered by Rs. 5.05 Lacs. The cumulative net loss as well as Current/ Non Current Liability/ Provisions as at 31st March, 2017 would have been higher by Rs.15.55Lacs. The tax effect would be consequential.*

- IX.** *As per the Guidance Note on Accounting for credit available in respect of Minimum Alternative Tax, MAT Credit is an asset to be recognized in the Financial Statement when it is 'Probable' that the future economic benefits associated with it will flow to the enterprise and asset has a cost or value that can be measured reliably. In the previous periods, the company has already recorded MAT Credit Entitlement of Rs 28.52 Lacs in the books of accounts. Considering that the matter is under jurisdiction of Delhi High Court for many years and the company as described in point no (i) of Basis of Qualification and Company is not allowed to carry on its operations except the realization of old debts and permitted payments, there is no virtual certainty that future economic benefit would flow to company. Considering this, we are of opinion that such MAT Credit Entitlement of Rs 28.52 Lacs needs to be derecognized.*

Had MAT Credit of Rs 28.52 Lacs had been reversed in financial statements in year ended March, 2017, the net profit after tax would have been lower by Rs 28.52 Lacs and net profit after tax would have been lowered by Rs. 22.70 Lacs and consequently the net cumulative loss would have been higher by Rs 22.70 Lacs. In addition to, non-current loans and advances would have been lowered by Rs 22.70 Lacs after considering the tax effects.

Directors' Comment: MAT Credit Entitlement-Para (ix): The Fresh Restructuring Scheme filed by the Company would be approved by the Hon'ble Delhi High Court. Adequate finances and opportunities would be available in the foreseeable future to enable the Company to start operating on a profitable basis. Therefore, Company can avail MAT Credit in near future when it will become profitable.

After taking effect of interim payments made to Punjab & Sind Bank till date of Rs 98.40 Lacs, the claim suite of Rs 1,217.52 Lacs is also reduced to Rs. 1119.12 Lacs. Since fresh restructuring scheme was not approved and made effective by 1st April 2006, the claim of Rs. 1119.12 Lacs filed before the Debt Recovery Tribunal could be adjudicated by Debt Recovery Tribunal. The company contends that the dues of the Bank will be settled as per the Fresh Restructuring Scheme and consequently no provision for the difference of Rs. 390.93 Lacs has been made. In the event that the company fails to pay the interest or principal or company default as per Fresh Restructuring Scheme or Fresh Restructuring Scheme is rejected, the concessions made by IndusInd Bank will be withdrawn and the amount claimed in the Debt Recovery Tribunal amounting to Rs 967.93 Lacs (after taking effect of payment of Rs 74.49 Lacs) would become payable upon adjudication by Debt Recovery Tribunal. MANAGEMENT DISCUSSION AND ANALYSIS

We submit herewith the "Management Discussion and Analysis Report" on the business of the Company as applicable to the extent relevant.

INDUSTRY STRUCTURE AND DEVELOPMENT

India has a diversified financial sector undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities entering the market. The sector comprises of commercial banks, insurance companies, non-banking financial companies, co-operatives, pension funds, mutual funds and other smaller financial entities.

So far, Non-banking Finance Companies (NBFC(s)) have scripted a great success story. Their contribution to the economy has grown in leaps and bounds. In terms of financial assets, NBFC(s) have recorded a healthy growth. With the ongoing stress in the public sector banks due to mounting of bad debts, their appetite to lend (especially in rural areas) is deteriorating.

Industry Overview

Non-banking finance companies (NBFCs) form an integral part of the Indian financial system. They play an important role in nation building and financial inclusion by complementing the banking sector in reaching out credit to the unbanked segments of society, especially to the micro, small and medium enterprises (MSMEs), which form the cradle of entrepreneurship and innovation. NBFCs' ground-level understanding of their customers' profile and their credit needs give them an edge, as does their ability to innovate and customise products as per their clients' needs. This makes them the perfect conduit for delivering credit to the unbanked and SMEs. However, NBFCs operate under certain regulatory constraints, which put them at a disadvantage position vis-à-vis banks. While there has been a regulatory convergence between banks and NBFCs on the asset side, on the liability side, NBFCs still do not enjoy a level playing field. This needs to be addressed to help NBFCs realise their full potential and thereby perform their duties with greater efficiency.

The asset financing NBFCs in the recent past, akin to banks, have witnessed muted growth with the primary sales of assets somewhat tapered down due to high interest, inflation and back to back below par monsoon. Some of the sectors which have been majorly impacted include Commercial Vehicle (CV), Construction Equipment (CE) and passenger auto sectors. However, the past year saw initial signs of revival of these sectors giving hope for brighter days ahead, especially with softening of interest rates and a projected better monsoon in FY-2018.

OPPORTUNITIES, CHALLENGES AND OUTLOOK

Opportunities

NBFCs have served the unbanked customers by pioneering into retail asset-backed lending, lending against securities and microfinance. Following variables in the external environment may be seen as opportunities for the Company:

- NBFCs aspire to emerge as a one-stop shop for all financial services
- The sector has witnessed moderate consolidation activities in recent years, a trend expected to continue in the near future
- New banking license- related guidelines issued by RBI in early 2013 place NBFCs ahead in competition for licenses owing largely to their rural network
- New RBI guidelines on NBFCs with regard to capital requirements, provisioning norms & enhanced disclosure requirements are expected to benefit the sector in the long run

Challenges

Competitive rivalry between big players is intense in the industry

- Financial services companies often compete on the basis of offering lower financing rates, higher deposit rates and investment services;
- Stringent regulatory norms prevent new entrants;

- Customers prefer to invest their money with a reputed financial services company offering a wide range of services;
- Low bargaining power of suppliers as the industry is highly regulated by RBI;
- Medium bargaining power of customers. Although customers do not have much bargaining power, they can easily switch to another company based on the terms and quality of services provided.

Outlook

However, FY-2017 has started on a positive note. Inflation continues to be low, RBI has cut rates further and most importantly, monsoon forecast by both Skymet as well as Indian Met Department is good. Infrastructure is also expected to see positive traction especially in Roads and Mining sector. Crude prices remain low and green shoots of economic recovery are visible.

Faster and more effective decision making and implementation of various initiatives already launched by the incumbent government are key drivers for the economic recovery. Reduction in global crude oil prices and consumer inflation numbers has provided the Indian government with a window of opportunity to put in place the building blocks for a sustained growth trajectory. The government continues to focus on roads and infrastructure projects by removing bottlenecks. Ongoing process of launching small banks and payment banks are key growth drivers for the asset finance industry. While signs of recovery are clearly seen in certain product segments, FY 2016-17 is expected to be a year of consolidation, so that the industry is ready for the next phase of growth. GDP growth is expected to improve on the back of proactive government initiatives and revival of commercial activity.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable accounting standards issued by the Institute of Chartered Accountants of India. The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Accounts and other financial statements forming part of this annual report.

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF DCM FINANCIAL SERVICES LIMITED****REPORT ON THE STANDALONE FINANCIAL STATEMENTS**

We have audited the accompanying standalone financial statements of DCM Financial Services Limited ("the Company"), which comprises the Balance Sheet as at March 31, 2017, and the Statement of Profit and Loss and Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards referred specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system. It also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

- (i) The accounts and financials of the company have been prepared on going concern on the assumption and premises made by the management of the Company that (a) The fresh restructuring scheme would be approved by the Hon'ble Delhi High Court in totality which is still pending for approval & acceptance (b) adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis and (c) injection of Rs. 1950.00 Lacs as promoters quota which has already been infused by the management group. The same has been explained in Note 27.
- (ii) No provision of Rs. 817.81 Lacs (Rs. 1,6465.30 Lacs towards accumulated Interest as at 31st March, 2017)(Previous Year – Rs. 1,5647.48 Lacs) which is simple interest calculated @10% per annum towards Interest on Debentures, Fixed Deposits and Inter Corporate Deposits, have been provided in the financial statements on the outstanding amount of Debentures, Fixed Deposits and Inter Corporate Deposits. Fresh Restructuring Scheme filed before Hon'ble

Delhi High Court, does not envisage and seek payment of any interest as the interest has been considered waived off in the proposed scheme. The order of Company Law Board (CLB) which was issued in 1998 in the context of Fixed Deposits stipulated payment of Interest of 10% per annum to Fixed Depositors. The order of Company Law Board (CLB) applies to Fixed Deposits only, however considering the principles of prudence, it is deemed prudent to provide Interest @10% per annum since inception or renewal on outstanding amount of Debentures and Inter Corporate Deposits also.

Had interest @10% per annum been provided for in the financial statements on outstanding amount of Debentures, Fixed Deposits and Inter Corporate Deposits, the Net Profit before tax would have been lowered by Rs 817.81 Lacs and Net Profit after tax would have been lowered by Rs 651.07 Lacs as at 31st March, 2017. The cumulative net loss as well as Current / Non-Current Liabilities as at 31st March, 2017 would have been higher by Rs 16298.55 Lacs. The tax effect will be consequential. The same has been explained in Note 3.1.f, Note 3.4(g) and Note 3.6.

- (iii) For redemption of 'B' series debentures of Rs. 2544.36 Lacs debenture redemption reserve is required to be created. Debenture redemption reserve of Rs. 2544.36 Lacs has not been created due to insufficient profits. The same has been explained in Note 2.2.
- (iv) The value of assets charged as security in favor of banks, debenture-holders & financial institutions have been depleted over a period of time. The depletion has not yet been ascertained by the Company. To the extent of shortfall, if any, the liability is unsecured, whereas the same has been shown as secured. The same has been explained in Note 3.1.d and Note 3.2.b & 3.3.1.
- (v) Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of which party wise details are not available. Balance confirmation of inter-corporate deposits, balance of ex-employees, margin against L/C, loans from institutions, banks, and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/ payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials and the amount referred as payable in the financials can differ. Please refer Note No-28
- (vi) The subsidiary company namely, Global IT Options Limited has till 31st March, 2017 incurred expenditure of Rs 22.84 Lacs for & on behalf of its Holding Company (i.e. DCM Financial Services Limited). It comes under the category of short term funding which is in-fact Inter-Corporate Deposit. In case of Inter-Corporate Deposit, Section 186 of Companies Act, 2013 stipulates to charge interest at a rate not less than the bank declared by Reserve Bank of India. No Interest has not been provided on outstanding balance of Rs 22.84 Lacs by Company to its subsidiary - Global IT Options Limited with effect from 1-june-2014.

Had interest @12% per annum which comes to Rs. 2.74 Lacs been provided for in the financial statements on outstanding amount of Inter Corporate Deposit, the net profit before tax would have been lowered by Rs. 2.74 Lacs and net profit after tax would have been lowered by Rs. 2.18 Lacs towards Interest expense for the year ended 31st March, 2017. The cumulative net loss as well as Current / Non-Current Liabilities / Provision as at 31st March 2017 would have been higher by Rs. 5.16 Lacs on account of cumulative interest with effect from 01-June-2014. The tax effect will be consequential. It is non compliance of Section 186 of the Companies Act, 2013, which could attract penalties.

- (vii) Pursuant to sub-section 5 of section 203 Companies Act, 2013 read with Rule 8 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 every listed company is required to appoint a Whole Time Company Secretary, non compliance of which the company shall be punishable with fine which shall not be less than one lakh rupees but which may extend to five lakh rupees. During the year ended March 31st, 2017, the Company was in contravention of the aforesaid provision. As explained to us, the management has made various attempts to appoint a Whole Time Company Secretary, however was unable to appoint Whole Time Company Secretary in the absence of suitable candidate. The Company has made relevant disclosures in the Board of Directors meeting regarding this issue. It is non compliance of Section 203 of Companies Act, 2013, which could attract penalties. Presently it is not feasible to determine the financial impact on the financial.

(viii) Pursuant to section 149 of Companies Act, 2013 read with rule 3 of Companies (Appointment and Qualification of Directors) Rules, 2014 every listed company is required to appoint at least one Woman Director. During the year ended March 31st, 2016, the Company was in contravention of the aforesaid provision as no woman director has been appointed. It is non compliance of Section 149 of Companies Act, 2013. Presently Section 149(1) of the Companies Act, 2013 is silent on the component of penalty. SEBI guidelines prescribed penalties for the non compliance which are Rs. 50,000 from 1-April-2015 to 30th June,2015 and thereafter Rs. 1000 per day for next 01-July-2015 to 30-Sep-2015 and thereafter from 01-Oct-2015 onwards Rs. 5000 per day. With effect from 6-October 2016, woman director has been appointed by the Company. Total estimated penalty/fine comes to Rs. 16.85 Lacs (P.Y RS.10.50 Lacs) till date of appointment of women director (i.e. 5th October, 2016). Had provision been provided for in the financial statements, the net profit before tax for the year ended 31st March, 2017 would have been lower by Rs 6.35 Lacs and net profit after tax would have been lowered by Rs. 5.05 Lacs. The cumulative net loss as well as Current/ Non Current Liability/ Provisions as at 31st March, 2017 would have been higher by Rs.15.55 Lacs. The tax effect would be consequential.

(ix) As per the Guidance Note on Accounting for credit available in respect of Minimum Alternative Tax, MAT Credit is an asset to be recognized in the Financial Statement when it is 'Probable' that the future economic benefits associated with it will flow to the enterprise and asset has a cost or value that can be measured reliably. In the previous periods, the company has already recorded MAT Credit Entitlement of Rs 28.52 Lacs in the books of accounts. Considering that the matter is under jurisdiction of Delhi High Court for many years and the company as described in point no (i) of Basis of Qualification and Company is not allowed to carry on its operations except the realization of old debts and permitted payments, there is no virtual certainty that future economic benefit would flow to company. Considering this, we are of opinion that such MAT Credit Entitlement of Rs 28.52 Lacs needs to be derecognized.

Had MAT Credit of Rs 28.52 Lacs had been reversed in financial statements in year ended March, 2017, the net profit after tax would have been lower by Rs 28.52 Lacs and net profit after tax would have been lowered by Rs. 22.70 Lacs and consequently the net cumulative loss would have been higher by Rs 22.70 Lacs. In addition to, non-current loans and advances would have been lowered by Rs 22.70 Lacs after considering the tax effects.

(x) Contingent liabilities and Other Commitments

x(a) Mr. Dhruv Prakash had lodged a claim of Rs 65.00 Lacs and winding up petition against the company. The contingent liability arising out of this suit amounts to Rs. 65.00 Lacs. There are also other cases filed in consumer, civil & criminal courts and other courts against the company for which the company is contingently liable but for which the amount is not quantifiable. **Refer Note No. 22(a)**

x(b) As per the Fresh Restructuring Scheme, the total amount payable to PSB remains quantified at Rs. 901.80 Lacs as on 30th June 2004 (after providing interest @10% p.a., compounded quarterly from 30th September 1999 till 31st March, 2000 on the principal debt as on 30.09.1997). The balance of Rs. 360.72 Lacs shall be converted in equity shares at any time within 3 years of the effective date of approval of Fresh Restructuring Scheme by Hon'ble Delhi High Court in accordance with applicable SEBI Guidelines for issuance of preferential allotment of the effective date or 1st April, 2006 whichever is earlier

After taking effect of interim payments made to Punjab & Sind Bank till date of Rs 98.40 Lacs, the claim suite of Rs 1,217.52 Lacs is also reduced to Rs. 1119.12 Lacs. Since fresh restructuring scheme was not approved and made effective by 1st April 2006, the claim of Rs. 1119.12 Lacs filed before the Debt Recovery Tribunal could be adjudicated by Debt Recovery Tribunal. No communication has been received from Punjab & Sind Bank or Debt Recovery Tribunal (DRT) regarding any adjudication of claim.

The company contends that the dues of the Bank will be settled as per the Fresh Restructuring Scheme and consequently no provision for the difference of Rs. 315.72 Lacs has been made. The company contends that in the event of default in the payment of interest and principal or default as per Fresh Restructuring Scheme or Fresh Restructuring Scheme is rejected, the concessions made by Punjab & Sind bank shall stand withdrawn and their claim before the Debt Recovery Tribunal of Rs. 1119.12 Lacs (after taking effect of payment of Rs 98.40 Lacs) will become payable upon adjudication by Debt Recovery Tribunal. **Refer Note No 3.3.2 and 22(b)**

- x(c.) The amount payable to IndusInd Bank after calculating interest up to March 31, 2000 had been quantified at Rs. 651.49 Lacs as on 30-June-2004 in accordance with the "Fresh Restructuring Scheme Under Review". Out of which Fixed Deposit of Rs 74.49 Lacs has been adjusted by IndusInd Bank. The balance amount of Rs. 577.00 Lacs shall be payable as per Fresh Restructuring Scheme.

Subsequently, the Hon'ble Punjab and Haryana Court deemed that payment is out of turn/preferential payment made by Pure Drinks New Delhi Ltd where winding up petition proceedings was already initiated and asked the company to deposit back the said amount with Hon'ble Punjab and Haryana Court. The company had filed a SLP with the Hon'ble Supreme Court of India which has been dismissed by them. ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF DCM FINANCIALS SERVICES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of DCM Financials Services Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention and timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2017.

We have considered the disclaimer reported above in determining the nature, volume of transactions, materiality, timing, and extent of audit test applied in our audit of the standalone financial statement of the company and the disclaimer does not affect our opinion on the standalone financial statements of the company.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF DCM FINANCIAL SERVICES LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of DCM Financial Services Limited (hereinafter referred to as "the Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2017, and the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, financial performance and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards referred specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Holding Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

- (i) The accounts and financials of the Group have been prepared on going concern on the assumption and premises made by the management of the Company that (a) The fresh restructuring scheme would be approved by the Hon'ble Delhi High Court in totality which is still

pending for approval & acceptance (b) adequate finances and opportunities would be available in the foreseeable future to enable the holding company to start operating on a profitable basis and (c) injection of Rs. 19.50 Lacs as promoters quota which has already been infused by the management group. The same has been explained in **Note 27**.

- (ii) No provision of Rs. 817.81 Lacs (Rs. 16465.29 Lacs towards accumulated Interest as at 31st March, 2017) (Previous Year – Rs. 15647.48 Lacs) which is simple interest calculated @10% per annum towards Interest on Debentures, Fixed Deposits and Inter Corporate Deposits, have been provided in the consolidated financial statements on the outstanding amount of Debentures, Fixed Deposits and Inter Corporate Deposits. Fresh Restructuring Scheme filed before Hon'ble Delhi High Court, does not envisage and seek payment of any interest as the interest has been considered waived off in the proposed scheme. The order of Company Law Board (CLB) which was issued in 1998 in the context of Fixed Deposits stipulated payment of Interest of 10% per annum to Fixed Depositors. The order of CLB applies to Fixed Deposits only, however considering the principles of prudence, it is deemed prudent to provide Interest @10% per annum since inception or renewal on outstanding amount of Debentures and Inter Corporate Deposits also.

Had interest @10% per annum been provided for in the consolidated financial statements on outstanding amount of Debentures, Fixed Deposits and Inter Corporate Deposits, the Net Profit before tax would have been lowered by Rs 817.81Lacs and Net Profit after tax would have been lowered by Rs 651.07Lacs as at 31st March, 2017. The cumulative net loss as well as Current / Non-Current Liabilities as at 31st March, 2017 would have been higher by Rs 16298.55Lacs. The tax effect will be consequential. The same has been explained in Note 3.1.f, **Note 3.4(g) and Note 3.6**.

- (iii) For redemption of 'B' series debentures of Rs. 2544.36 Lacs, debenture redemption reserve is required to be created. Debenture redemption reserve of Rs. 2544.36 Lacs has not been created due to insufficient profits. The same has been explained in **Note 2.2**.
- (iv) The value of assets charged as security in favor of banks, debenture-holders & financial institutions have been depleted over a period of time. The depletion has not yet been ascertained by the Holding Company. To the extent of shortfall, if any, the liability is unsecured, whereas the same has been shown as secured. The same has been explained in Note 3.1.d and **Note 3.2.b & 3.3.1**.
- (v) Balance confirmation of bills receivable and payable, advances recoverable in cash or in kind, receivables and payables relating to lease and hire purchase, lease security deposit of which party wise details are not available. Balance confirmation of inter-corporate deposits, balance of ex-employees, margin against L/C, loans from institutions, banks, and other receivables and payables have not been received from the parties/persons concerned. In the absence of balance confirmation the closing balances as per books of accounts have been incorporated in the final accounts and have been shown, unless otherwise stated by the management about its recoverability in the financials including considering the NPA Provisions, are good for recovery/ payment. Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for. In the absence of such confirmation & corresponding reconciliation, it is not feasible for us to determine financial impact on the financials the amount referred as payable in the financials can differ. **Please refer Note No-28**
- (vi) Pursuant to sub-section 5 of section 203 Companies Act, 2013 read with Rule 8 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 every listed company is required to appoint a Whole Time Company Secretary, non compliance of which the company shall be punishable with fine which shall not be less than one lakh rupees but which may extend to five lakh rupees. During the year ended March 31st, 2017, the Holding Company was in contravention of the aforesaid provision. As explained to us, the management has made various attempts to appoint a Whole Time Company Secretary, however was unable to appoint Whole Time Company Secretary in the absence of suitable candidate. The Holding Company has made relevant disclosures in the Board of Directors meeting regarding this issue. It is non compliance of Section 203 of Companies Act, 2013, which could attract penalties.

- (vii) Pursuant to section 149 of Companies Act, 2013 read with rule 3 of Companies (Appointment and Qualification of Directors) Rules, 2014 every listed company is required to appoint at least one Woman Director. During the year ended March 31st, 2016, the Holding Company was in contravention of the aforesaid provision as no woman director has been appointed. It is non compliance of Section 149 of Companies Act, 2013. Presently Section 149(1) of the Companies Act, 2013 is silent on the component of penalty. SEBI guidelines prescribed penalties for the non compliance which are Rs. 50,000 from 1-April-2015 to 30th June,2015 and thereafter Rs. 1000 per day for next 01-July-2015 to 30-Sep-2015 and thereafter from 01-Oct-2015 onwards Rs. 5000 per day. With effect from 6-October 2016, woman director has been appointed by the Company. Total estimated penalty/fine comes to Rs. 16.85Lacs (P.Y RS.10.50Lacs) till date of appointment of women director (i.e. 5th October, 2016). Had provision been provided for in the consolidated financial statements, the net profit before tax for the year ended 31st March, 2017 would have been lower by Rs 6.35 Lacs and net profit after tax would have been lowered by Rs. 5.05 Lacs. The cumulative net loss as well as Current/ Non Current Liability/Provisions as at 31st March, 2017 would have been higher by Rs.15.55 Lacs. The tax effect would be consequential.
- (viii) As per the Guidance Note on Accounting for credit available in respect of Minimum Alternative Tax, MAT Credit is an asset to be recognized in the Financial Statement when it is 'Probable' that the future economic benefits associated with it will flow to the enterprise and asset has a cost or value that can be measured reliably. In the previous periods, the Holding company has already recorded MAT Credit Entitlement of Rs 28.52Lacs in the books of accounts. Considering that the matter is under jurisdiction of Delhi High Court for many years and the company as described in point no (i) of Basis of Qualification and Company is not allowed to carry on its operations except the realization of old debts and permitted payments, there is no virtual certainty that future economic benefit would flow to company. Considering this, we are of opinion that such MAT Credit Entitlement of Rs 28.52Lacs needs to be derecognized.

Had MAT Credit of Rs 28.52Lacs had been reversed in consolidated financial statements in year ended March, 2017, the net profit after tax would have been lower by Rs 28.52Lacs and net profit after tax would have been lowered by Rs. 22.70 Lacs and consequently the net cumulative loss would have been higher by Rs. 22.70 Lacs. In addition to, non-current loans and advances would have been lowered by Rs. 22.70 Lacs after considering the tax effects.

(ix) **Contingent liabilities and Other Commitments**

ix(a) Mr. Dhruv Prakash had lodged a claim of Rs 65 Lacs and winding up petition against the Holding company. The contingent liability arising out of this suit amounts to Rs 65 Lacs. There are also other cases filed in consumer, civil & criminal courts and other courts against the company for which the group is contingently liable but for which the amount is not quantifiable. **Refer Note no. 22(a)**

ix(b) As per the Fresh Restructuring Scheme, the total amount payable to PSB remains quantified at Rs. 901.80 Lacs as on 30th June 2004 (after providing interest @10% p.a., compounded quarterly from 30th September 1999 till 31st March, 2000 on the principal debt as on 30.09.1997). The company has till date paid/ adjusted Rs. 98.4 Lacs and the balance of Rs. 803.40 Lacs as on 30th June 2008 is payable as per the Fresh Restructuring Scheme pending before the Hon'ble Delhi High Court. Out of Rs. 803.40 Lacs i.e. Rs.442.68 Lacs shall be payable in 6 equal yearly installments after one year from the date of approval of the scheme or 1st April, 2006 whichever is earlier. The balance of Rs 360.72 Lacs shall be converted in equity shares at any time within 3 years of the effective date of approval of Fresh Restructuring Scheme by Hon'ble Delhi High Court in accordance with applicable SEBI Guidelines for issuance of preferential allotment of the effective date or 1st April, 2006 whichever is earlier

Prior to filing of Fresh Restructuring Scheme by the Holding company before Hon'ble Delhi High Court, Punjab & Sind Bank had filed a recovery suit before the Debt Recovery Tribunal (DRT) for recovery of Rs. 1217.52 Lacs against which the amount payable to them as per books is Rs. 803.40 Lacs. After taking effect of interim payments made to Punjab & Sind Bank till date of Rs 98.4Lacs, the claim suite of Rs 1217.52Lacs is also reduced to Rs.1119.12Lacs. Since fresh restructuring scheme was not approved and made effective by 1st April 2006, the claim of Rs.1119.12Lacs filed before the Debt Recovery Tribunal could be adjudicated by Debt Recovery Tribunal. No communication has been received from Punjab & Sind Bank or Debt Recovery Tribunal (DRT) regarding any adjudication of claim.

The holding company contends that the dues of the Bank will be settled as per the Fresh Restructuring Scheme and consequently no provision for the difference of Rs. 315.72Lacs has been made. The holding company contends that in the event of default in the payment of interest and principal or default as per Fresh Restructuring Scheme or Fresh Restructuring Scheme is rejected, the concessions made by Punjab & Sind bank shall stand withdrawn and their claim before the Debt Recovery Tribunal of Rs. 1119.12 Lacs(after taking effect of payment of Rs 98.40Lacs) will become payable upon adjudication by Debt Recovery Tribunal. **Refer Note No 3.3.2 and 22(b)**

- ix.(c.) The amount payable to IndusInd Bank after calculating interest up to March 31, 2000 had been quantified at Rs. 651.49Lacs as on 30-June-2004 in accordance with the "Fresh Restructuring Scheme Under Review". Out of which Fixed Deposit of Rs 74.49Lacs has been adjusted by IndusInd Bank. The balance amount of Rs. 576.99Lacs shall be payable as per Fresh Restructuring Scheme.

Prior to filing of Fresh Restructuring Scheme by company before Hon'ble Delhi High Court, IndusInd Bank has filed a recovery suit before the Debt Recovery Tribunal (DRT), of Rs. 1042.42Lacs against which the amount payable to them as per books is Rs. 576.99Lacs. After taking effect of interim payments made to Punjab & Sind Bank till date of Rs 74.49Lacs, the claim suite is also correspondingly reduced to Rs 967.93Lacs from Rs. 1042.42Lacs. The Holding company contends that the dues of the Bank will be settled as per the Fresh Restructuring Scheme and consequently no provision for the difference of Rs. 390.93Lacs has been made. In the event that the Holding company fails to pay the interest or principal or Holding company default as per Fresh Restructuring Scheme or Fresh Restructuring Scheme is rejected, the concessions made by IndusInd Bank will be withdrawn and the amount claimed in the Debt Recovery Tribunal amounting to Rs 967.93Lacs (after taking effect of payment of Rs 74.49Lacs) would become payable upon adjudication by Debt Recovery Tribunal. **Refer Note No3.3.3 and 22(c)**

- ix.(d) During the year 1999, the Holding Company had received Rs. 100 Lacs from one of its debtors i.e. Pure Drinks New Delhi Ltd. where the winding up petition proceedings was already initiated. Upon receipt of payment, the Holding Company reduced the recoverable amount accordingly. Subsequently, the Hon'ble Punjab and Haryana Court deemed that payment is out of turn/preferential payment made by Pure Drinks New Delhi Ltd where winding up petition proceedings was already initiated and asked the company to deposit back the said amount Hon'ble Punjab and Haryana Court. The Holding Company filed a SLP with the Hon'ble Supreme Court of India which has been dismissed by them. Therefore the Holding company is liable to deposit the amount mentioned above which is yet to be deposited. And in view of restrictions imposed on operations of Bank A/c's by Hon'ble Delhi High Court, the Holding Company has filed an application to release this money for depositing the same with Punjab & Haryana High Court which still pending to be addressed. **Refer Note No. 22(d)**

- ix.(e) During the year ended 30th June, 2011 the holding company's tenant had filed a claim of Rs. 100 Lacs against the company due to damages suffered by the tenant which is pending under arbitration proceedings as on 31st March, 2017. **Refer Note No. 22(e)**

- ix.(f) There is a demand of Rs. 34.59 Lacs raised by Income Tax Department for the Assessment Year 2006-07 for payment of income tax under the Income Tax Act, 1961, which is disputed by the Holding company and pending before the appropriate authorities. **Refer Note No. 22(f)**

- ix.(g) There is an award passed by the arbitrator against the Holding Company in the matter of MS Shoes East Limited on May 28, 2012 for Rs. 51.28Lacs i.e. the claim amount, along with Rs. 306.81 Lacs towards interest cost for an underwriting given by the Holding company in the year 1995 for the public issue of M/s MS Shoes East Ltd. ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF DCM FINANCIALS SERVICES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of DCM Financials Services Limited ("the Holding Company") and its subsidiary company (the Holding Company and its subsidiary together referred to as "the Group") as of March 31, 2017 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Group's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company ;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention and timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to the information and explanation given to us, the group has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the group had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2017.

We have considered the disclaimer reported above in determining the nature, volume of transactions, materiality, timing, and extent of audit test applied in our audit of the consolidated financial statement of the company and the disclaimer does not affect our opinion on the consolidated financial statements of the company.

Accordingly in view of absence of virtual certainty of sufficient taxable income in future no provision for deferred tax has been made.

- the fresh restructuring scheme would be approved by the Hon'ble Delhi High Court,

Time barred debts under the Limitations Act have not been separately ascertained and written off or provided for.
